All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. LALLEY-LIGHT

ELECTRIC LIGHT AND POWER FOR EVERY FARM

Running Water Is Another Lalley-Light Convenience

Better Light at Lower Cost

Lalley-Light actually costs less than poorer light. It costs less because of the time it saves and the labor it saves. It costs less because it gives better light for after-night work. Because it makes the home more cheerful. Because its electric power runs the churn, and the separator, and the women can do other needful tasks. Because it enables you to have running water in house and barn. Consider Lalley-Light as an economy, and you will not be wrong—as owners' testimonials show. You Do More Work.
You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.
GROVE'S TASTELESS Chill TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.
GROVE'S TASTELESS Chill TONIC is not a patent medicine, it is simple, IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.
The Strength-Creating Power of GROVE'S TASTELESS Chill TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS Chill TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.
