

NURSE TALKS ON HOSPITAL WORK

Tells How She Keeps Herself in Proper Condition to Discharge Her Duties.

Those who minister to the sick must be fitted for this work. They must have good nerves, patience and extreme gentleness to properly perform the duties of a trained nurse.

"Indigestion and heart trouble impaired my nervous system and caused me to become excited at the least thing. A cup of coffee was like poison to me and was sure to be followed by distressing heart trouble."

CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great.

DRY CLEANED.

A little four-year-old, who is most emphatically opposed to having her face washed, said to her grandmother the other day:

"I am not going to wash my face any more." When asked for an explanation, she said: "I've decided to have it dry-cleaned."

CROWN PRINCE MAKES THREAT OF SUICIDE

Says "I Will Decide," And the "Allies Can Have Only My Dead Body."

Amsterdam, Saturday, July 6.—"The allies can only have my dead body; I will myself decide on my life or death," the former German Crown Prince is quoted as having said Friday in discussing a possible demand for extradition.

This statement reported by the British wireless service correspondent was said by him to have been made to a Dutch official who talks daily with the former Crown Prince.

NOTHING BUT CLIMATE.

"What sort of a place is it? One of those places where the climate is all they've got to brag about."

"Bayer Tablets of Aspirin" should always be asked for. Then look for the safety "Bayer Cross" on the package and on each tablet. Accept nothing else! Proper directions and dosage in each Bayer package.

TERRIBLY SWOLLEN

Suffering Described As Torture Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while lifting, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs., and fell off until he weighed 110 lbs., in two weeks."

He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He did this yet without result. We became desperate, he suffered so. He was swollen terribly. He told me his suffering would only be described as torture.

I sent and bought Theodor's Black-Draught. I made him take a big dose, and when it began to act he fainted, he was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Theodor's Black-Draught."

Theodor's Black-Draught will help you to keep fit, ready for the day's work. Try it! NC-131
