R. P. TAYLOR

MANAGER RALEIGH DISTRICT

We are glad to inform the people of this county that we have procured the agency for Franklin County of those great Indian Remedies of Dr. White Eagle, who in Louisburg recently, demonstrated their unquestionable value as a curative of most of the ailments affecting the human system.

Of the hundreds of bottles that we have sold and have been taken by as many people, we have yet to hear of a single case that has not been benefited by its use, while many have been almost miraculously cured of stomach, liver and kidney troubles, also worms and tape worms.

It has been our rule never to recommend any patent medicine to our patrons until we have known it to have been tried and proven beneficial as a medicine for suffering humanity, consequently our entire stock of medicines is composed of the best that science, skill and reputable manufacturers can make. Now we offer you Dr. White Eagle's Senna-Tone and other remedies, made from herbs, roots and barks gathered from the hunting grounds of the Indians of the West and from formulas used by their medicine men and women, who knew no chemicals or narcotics, consequently by their use they live longer than any other people on earth. Many of them living to be 100 to 130 years old and a few even older.

Our Mr. G. L. Aycock has been serving you in the drug business for over twenty-five years, whose aim has been and always will be to sell you to treat every person honorably, and honestly, knowing well the unchangeable laws of nature that, "Whatever you sow, you shall also reap; and whatever you deal to your fellowman, it will be dealt back to you."

With highest appreciation for your confidence we hope to see you often, we remain

Your friends,

AYCOCK DRUG COMPANY.

CALOMEL DYNAMITES

A SLUGGISH LIVER
Crashes into sour bile, making you sick and you lose a days work.

Calomel salivates! It's mercury. Calomel sets like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing vomiting and nausea.

If you feel bilious, headachy, constipated, or just brunched out, just go to your druggist and get a few cents worth of son's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

UNPROFITABLE THOUGHT

"A man dat's always thinkin' 'bout hisself," said Uncle Eben, "is ginete feel lonesome when he finds out he's been monopolizin' that special branch of human study."
