

THE MOST DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back—soak up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are easily half doing their work and are allowing impurities to accumulate and be converted into poisons which are causing you distress and will destroy you unless they are driven from your system.

A WIFE.

A novelist said at a Bar Harbor tea:

"It is incredible what some women spend to get into society. A western millionaire's wife came to New York, took a house in Fifth avenue and gave a ball of great magnificence."

"When her husband totaled up the bills he winced and said:

"My, Maria, these here bills total up to \$30,000."

"It costs money, dearie," said the wife, "to get into society."

"Humph!" said the millionaire; "It don't seem to me that we're gettin' into society as much as society is gettin' into us."

"It Looked Like a Battlefield in Europe," said Mr. C. Dunster

"Was staying at a hotel in a small Pennsylvania town. Early one morning I went to the stable to hire a rig and was shown a pile of dead rats killed with RAT-SNAP, the night before. Looked like a battlefield in Europe." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Allen Bros., Louisburg, N. C.

Nothing—Something the rich man wants. The poor man has, the miser spends and the spendthrift saves.

The Needs of "The Inner Man" and "The Inner Woman"

It's hard to "minister to a MIND diseased", but an easy matter to minister to a diseased BODY; to supply the remedial needs of "the inner man"—and the inner WOMAN

Most everybody is, more or less, constipated and frequently bilious. Neglect of these conditions is dangerous—foolish and useless.

The "inner works" of the human body are so complicated that they easily get out of order; and when anything's the matter with any of THEM, there's going to be trouble with the whole physical machinery of life.

DR. THACHER'S LIVER AND BLOOD SYRUP is a standard remedy for the internal ills that bring about the ailments common to men, women and children. It is gently but effectively LAXATIVE, or vigorously and thoroughly CATHARTIC, according to the dose prescribed.

It purifies and tones up the BLOOD, making it run red, rich and riotous in health-giving content through the system.

It helps to induce natural action of the KIDNEYS—the drainage system of the body which must be kept open and clean to perform its proper function.

DR. THACHER'S LIVER AND BLOOD SYRUP is the prescription of an old family doctor, used with his thousands of patients in a lifetime practice. It is a purely VEG-ETABLE preparation compounded in the laboratories of the THACHER MEDICINE CO., Chattanooga, Tenn., sole proprietors. It is sold by druggists everywhere.

"How I Cleared the Mill of Rats," By J. Tucker, R. L.

"As night watchman believe I have seen more rats than any man. Dogs wouldn't dare go near them. Got \$1 pkg. of RAT-SNAP, inside of 6 weeks cleared them all out. Killed them by the score every night. Guess the rest were scared away. I'll never be without RAT-SNAP." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Allen Bros., Louisburg, N. C.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

YES, I AM STILL IN THE OLD GIN HOUSE ON THE CORNER

I am still in business and am selling flour at a lower price than any other merchant, and in fact anything else that is carried in a first class Grocery Store.

I also have a large supply of Hay, Grain and Feed Stuff that

can sell at a lower price than the other fellow. So why drive by store and pay more for your feed stuff and pull it back up that long hill from town. I don't feel sorry for you Mr. Farmer but Gee how sorry I do feel for that poor horse and your pocket book. Why do you drive right by a good thing? Come to see me the next time you need anything in my line and I will save you money.
