TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and cannot sialivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is perfectly guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

YES, I AM STILL IN THE OLD GIN HOUSE ON THE CORNER

I am still in business and am selling flour at a lower price than any other merchant, and in fact anything else that is carried in a first class Grocery Store.

I also have a large supply of Hay, Grain and Feed Stuff that I can sell you at a lower price than the other fellow. So why drive by store and pay more for your feed stuff and pull it back up that long hill from town. I don't feel sorry for you Mr. Farmer but Gee how sorry I do feel for that poor horse and your pocket book. Why do you drive right by a good thing? Come to see me the next time you need anything in my line and I will save you money.

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

It does something of this kind in every member of the human race from the children up down to the old at your drug store.
