

### OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleaned and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 300 years GOLD MEDAL Haarium Oil has been relieving the weakness and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haarium Oil is brewed in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a small

swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old-age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haarium Oil Capsules will keep you in health and vigor and prevent a return of the disease.

Do not wait until old age or disease have settled down for good. Go to your druggist and get a box of GOLD MEDAL Haarium Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.

**Worse Still.**

"Miss Ann was very angry when I kissed her in the dark and refused to accept my apology."

"Perhaps you did not make it strong enough."

"Oh, yes, I did. I told her I had mistaken her for her pretty young cousin."

### WHY WOMEN SUFFER

Some do it from ignorance; some from carelessness; some in a spirit of martyrdom and some from a mistaken sense of duty impelling them to go on sacrificing themselves for others, until they "drop in their tracks."

Thousands of women have learned better; have found out that it's wrong to suffer from the peculiar ills of womanhood, because they need not do it.

STELLA VITAE, the old-time "Woman's Balm," "Mother's Cordial" has been helping the women of the South to health and happiness for half a century.

It is the prescription of a famous old Southern doctor and has proved successful with thousands of women and young girls.

STELLA VITAE is compounded in the laboratories of the Thatcher Medicine Co., Chattanooga, Tenn., and sold by all druggists at a moderate price. Money refunded if the first bottle fails to help.

**PALPITATION OF THE HEART!**

The experience of a woman who has successfully passed the "changes" is valuable. This lady tells of the "bridge that carried her over."

"I was in a most wretched condition, at that most critical time in a woman's life, 'the change.' I had palpitation of the heart and would swell and bleed in a very distressing way."

"I took five bottles of STELLA VITAE, and I am happy to say that it cured me. When I began I weighed only 100 pounds. I now weigh 135 pounds."—Mrs. E. M. Russell, N. C.

"Dat League of Nations idea sort o' gets to my sympathy in one way," remarked Flooding.

"What d'y'e mean?" inquired Meandering Mike.

"A lot of people is sayin' it can't be made to work."

### NURSE TALKS OF HOSPITAL WORK

Tells How She Keeps Herself in Proper Condition to Discharge Her Duties.

Those who minister to the sick must be fitted for this work. They must have good nerves, patience and extreme gentleness to properly perform the duties of a trained nurse. Mrs. Dora Smith, a popular nurse at St. Luke's Home, knows the duties and requirements of a competent nurse and keep herself in condition for her work. She says:

"Indigestion and heart trouble impaired my nervous system and caused me to become excited at the least thing. A cup of coffee was like poison to me and was to be followed by distressing heart trouble. I could not properly digest my food and felt miserable at all times. I took Peplac and in a few days I can even drink coffee without any nervousness. I feel much better and derive real pleasure from my work. Peplac has made life worth living for me."

Peplac is sold and recommended in Loulsburg at Scoggins Drug Store; Winston-Blanks Drug Co., Youngsville; T. E. Holding Wake Forest; and W. W. Parker at Henderson. Buy a bottle today it has helped others, and will do the same for you.

**To a Fault.**

"He's generous to a fault."

"What do you mean by that?"

"He doesn't care what clothes his wife goes without so long as he can head a subscription list."

"Rat-Snap Beats the Best Trap Ever Made," Mrs. Emily Shaw Says.

"My husband bought \$2 worth of Rat-Snap. I bought a 50c box of RAT-SNAP. The trap only caught 3 rats but RAT-SNAP killed 12 in a week. I'm never without RAT-SNAP. Reckon I couldn't raise chicks without it." RAT-SNAP comes in cakes. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Allen Bros. Co.
