

## Kiln-Dried Tennessee Rock Lime

Conway, N. C., Jan. 24, 1919.

Craven Brokerage Company,  
New Bern, N. C.

Gentlemen:

I have used American Limestone Company LIME for one year and find it satisfactory for peanuts, corn and oats, especially on bottom land for corn and oats.

I used it for peanuts entirely, and I am satisfied it is as good or better than the other lime. I think it doubled my crop of oats which was on bottom land, applied in the Spring after oats were hand high. I think it doubled my corn on bottom land. I will use it this year.

Yours truly,  
(Signed) ABNER LASSITER.

## RED CROSS GIVES FULL ACCOUNTING

War Council Tells How Millions  
Contributed by Public Were  
Used For Relief.

### BIG TASK IS DESCRIBED

In Twenty Months \$154,000,000 Was  
Spent Overseas and \$119,000,000  
In the United States.

Washington, (Special.)—Through a complete report of the work of the

Chairman Henry P. Davison, on behalf of the war council, the organization on the eve of its annual enrollment of members during the Third Red Cross/Bell Call, November 3 to 11, has rendered an accounting of the many millions given it by the American people to help our fighting men and our allies. The statement is, in part, as follows:

"The war council of the American Red Cross is now prepared to make a complete accounting to the American people of money contributed and expended, as well as the work done by the American Red Cross during the period in which the war council was in control of its affairs. The war council was appointed May 19, 1918, and went out of existence February 28, 1919.

"It was the practice of the war council to give complete publicity to its policies and finances, but it is only now that a picture of the war period as a whole can be presented. It is the feeling of the war council that a report in this summarized form should be made directly to the public which provided the money and gave the effort which made the American Red Cross a success.

"A statement of the American Red Cross effort and finances since the war council relinquished its control will be made to the public through the executive committee, and it is important, therefore, that the fact that this report covers the period only until March 1, should be carefully noted." Following are certain round figures covering American Red Cross participation in the war, as revealed by the war council's report:
