LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

No Worms In a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

The wise man greets his friend with a smile. The fool gives him a grunt.

Mr. Wilson has achieved at least one distinction. He is the only one who has ever presided here and in a foreign county at the same time.
