MONEY LOANED!

When times get hard, real estate is the best security. Mr. Farmer, if you have money to lend, we can place it for you on first mortgage paper at a good discount rate. We have handled twenty thousand dollars for farmers during the past week, and consequently have helped others out of bad holes by letting them have the money. We personally guarantee all investments made this year, both as to title and safety.

If you have money to lend, talk it over with us. If you want to borrow, we can probably help you.

thrice daily after meals.
Tens of thousands daily prove that taking Scott's Emulsion is a healthful habit.

Scott & Bowne, Bloomfield, N. J. 20-71

Even a popular idol may get on a nation's nerves. Let the Greeks have somebody else for a while and they may begin sighing for Venezuelos.

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 75c per bottle.

What would happen if the League of Nations should send greetings to Hiram Johnson?

The Brooklyn Eagle says it refuses to believe that Greece has repudiated her great Venezuelos. Why? The American people did just as ungrateful a thing and they are not inferior to the Greeks.

Governor Allen of Kansas is pleased because two Southern States have gone Republican. After all the jobs he has given the South we didn't suppose he would allow any Southerners to enter the Grand Old Party.
