**Oklahoma Farmer Gives Sound Advice on Avoiding Sickness.—Used Black-Draught 30 Years.**

Cameron, Okla.—"I have used Theford's Black-Draught for about thirty years, and certainly ought to know by this time what a good medicine it is," says Mr. T. L. Bostler, a well-known farmer of this place. Mr. Bostler has passed his three-score-and-fifth year, but declares his health still is good, "and I can say, Black-Draught did its part."  
"Where there is a lot of malaria, a liver medicine is a necessity, and I have never found one better than Black-Draught," continues the Okla. homan. "It is one that I know to be reliable. I sure use it for the liver, stomach, constipation, indigestion, and it has done me a world of good. We use it for the family, and it gives satisfaction."  
"Most trouble, or sickness, comes from the liver, and if taken in time can be avoided. That is why I use Black-Draught as I do. I am much pleased with results obtained."  
Theford's Black-Draught is purely vegetable. It acts on the bowels, gently stimulating the liver, and helps increase the normal flow of bile into the intestines. It assists in the digestion of food, and relieves constipation in a prompt and natural way.

**TRY TAKING PEPTO-MANGAN**

If You Feel Listless and Depressed, Your Blood Is Clogged and Sluggish

Without knowing why, you find yourself feeling unhappy. You go around day after day half asleep. Interest in what is going on around you lags and life becomes dull. The beauty of radiant sunshine, lovely flowers and the entrancing miracles of life you miss entirely. Living, eating, sleeping, become more or less of a bore.

That is what clogged, sluggish blood does to you. It poisons your thoughts. You are only half alive. You need a good blood-enriching tonic. Take Pepto-Mangan for a few weeks and notice the big improvement. Pepto-Mangan is an agreeable tonic and is heartily endorsed by physicians.

Your druggist has Pepto-Mangan in both liquid and tablet form. Buy whichever you prefer; one has exactly the same effect as the other. Make sure you get genuine Pepto-Mangan. Ask for "Gude's" and look for the full name, "Gude's Pepto-Mangan," on the package. Advertisement.
