**Anna Lady Had Something Like Indigestion Until She Took Black-Draught, Then Got All Right.**

Seymour, Ind.—"Some time ago I had a sick spell, something like indigestion," writes Mrs. Clara Peacock, of Route 6, this place. "I would get very sick at the stomach, and spit or vomit, especially in the mornings. Then I began the use of Theodor's Black-Draught, after I had tried other medicines. The Black-Draught relieved me more than anything that I took, and I got all right. I haven't found anything better than Black-Draught when suffering from trouble caused by constipation. It is easy and sure. Can be taken in small doses or large as the case calls for."

"When you have sick stomach, indigestion, headache, constipation, or other disagreeable symptoms, take Black-Draught to help keep your system free from poison. Theodor's Black-Draught is made from purely vegetable ingredients, acts in a gentle, natural way, and has no bad after-effects. It may be safely taken by young or old. Get a package of Black-Draught today. Insist on the genuine, Theodor's. At your druggist's. NC-143
