WOOD NEWS.

Mumps is the only news going in Wood now. Every day we possess a new case but we are very thankful it isn't any worse. Mr. Major Gupton has been seriously ill but is improving some.

Messrs. Arthur, Stephen and Eddie Gupton made a call to see some of the Louisburg College girls Sunday afternoon.

Mr. and Mrs. P. C. Ludford have moved to Plymouth.

We were very sorry to see Mr. Herbert Lancaster leave for hospital, but are glad to hear he is getting on very nicely.

Messrs. R. D. Griffin and W. P. Leonard and Misses Lilla Lanier and Hattie Griffin made a call to see some friends at Moore's pond Sunday afternoon.

The most enjoyable time spent in Wood in a long time was the tacky party carried out so well at Mr. St. Leonard's Saturday night, Jan. 15th. Games of all kinds was started about 7:30 after which music was so beautifully rendered on piano by Miss Pearle Gupton followed by three courses of refreshments. Then Messrs. Stephen Gupton, Morris Griffin and Johnnie Lancaster were elected as judges. They decided to present the prize for being the tackiest to Miss Lenna Fleetwood which was a nice little bottle of "Hoyte's Cologne." And Miss Pearle Gupton received the prize for being the best looking which was in such a pretty box a "Pig's Tail." The crowd then made a motion to adjourn about 11:30.

We were very sorry the weather was so bad the moving pictures wasn't able to get here last Friday night but hope the weather will be so we won't get disappointed next time.

Yours to the last bubble. B.L.

So long as you think that someone else will do what you neglect—so long as you fail against misrule, yet fail to defend your civic rights—so long as you believe that your influence is not needed, and that without you there will be a majority sufficient to prevail for the many, the few shall continue to drag us into the chasm. SEASONABLE GOOD THINGS.

When chestnuts are plentiful and potatoes are selling at high prices, try:

Mashed Potatoes.—Cook one pound of chestnuts for a quarter of an hour, peel them and cook in one quart of milk until soft. Add two tablespoonsful of butter, one teaspoonful of sugar, and one teaspoonful of salt. Rub through a sieve and serve the same as mashed potatoes. The advantage of serving this dish is that it may be eaten by those who are denied potatoes.

Curried Chestnuts.—Shell and blanch a pound of chestnuts, stew in stock until tender. Melt two tablespoonsful of butter in a saucepan, fry in it one small sliced onion, one chopped apple, and a tablespoonful of curry powder and a teaspoonful of sweet chutney; moisten with one cupful of stock and one tablespoonful of rice flour that has been smoothly blended. Cook until the ingredients are soft then put through a sieve; add a squeeze of lemon juice and simmer the chestnuts in this until they have absorbed the flavor. Serve with plenty of plain boiled rice, very hot.

Chestnut Cakes.—Shell and blanch some good chestnuts then cook in boiling water until tender. Rub through a sieve and to every half cupful of chestnut pulp add the yolk of an egg, salt, white pepper, celery salt, onion juice and Worcestershire sauce to season rather highly. Make into neat little cakes, brush with beaten egg, roll in fine crumbs and fry in deep hot fat. Serve as a garnish around roast turkey.

Luncheon Rarebits.—Melt one-half pound of cheese over a pan of hot water. Turn a pint can of tomato soup into a separate dish.—Heat and season thoroughly with paprika. Turn the melted cheese into the hot soup and beat. Have ready rounds of toasted bread. Turn the rarebit dressing over the bread and serve with crisp celery and hot coffee.

For instance: It supplies power in plenty to pump water, heat the irons, run the washing machines, sewing machine, vacuum sweeper, cream separator, churn, fanning mill, grind stone, emery wheel, etc., etc.

So, if the old saying, "time is money" is true—if this old "saw" means anything, the LALLEY LIGHT means real dollars and cents in your pocket.

And we want to impress upon your mind the fact, that the LALLEY LIGHT does all this money-saving work better because it has been tested and perfected through ten year's of actual owner use.
