No Worms in a Healthy Child All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

Congress seems to think our present marketing system is all right except in a few spots. Similarly a punctured tire is generally perfectly round except at the bottom.—Minneapolis Non-Partisan Leader.

EVERYBODY SEES A CHANGE IN FATHER

Grateful Son Says His Father Looks Like Different Man Since Taking Tanlac.

"My Father has suffered from chronic stomach trouble for over twenty years and has paid out thousands of dollars for medicines and doctors," said G. W. Slayton, a well-known Cobb County farmer, living a short distance out of Atlanta, Ga.

"We tried nearly everything trying to cure him and he went off to the Springs, thinking maybe the water might help him but it just looked like nothing would reach his trouble. Then he tried dieting and lived on liquid food until he almost starved, but even that failed to do him any good and he just kept going from bad to worse. "I don't guess there ever was a case as stubborn as his and if there ever was a confirmed dyspeptic, he was one of them and I guess he would have been one yet if it hadn't been for this Tanlac.

"The first we heard of this medicine was when my Father saw an advertisement in the papers from parties he knew in Tennessee, who were friends of his and he knew what they said about it was the truth so he got it right away and began taking it. Well, sir, it acted just like magic—everybody notices the change in Father—Why he is just like a different man and sits down to the table and eats like a farm hand. Only yesterday he ate pork and turnips for his dinner and ate so much we were actually afraid he was going to over-do the thing but he laughed and said nothing hurt him now and that he was hungry and expected to eat and make up for lost time. "Now, when a medicine will do things like that I think people ought to know about it and I want to say right now that I would not give one bottle of Tanlac for all the other medicines and health resorts in the country put together." Adv.
