TAR DROPS

The local dentists gave a delightful barbecue to the dentists of this district at Clifton's pond Tuesday.

The officers of the Louisburg Masonic Lodge entertained the delegates from other lodges of this district gathered in Louisburg Wednesday, with a delightful barbecue dinner.

A South Carolina man claims to have made a substantial contribution to the movement for the conservation of human life through the invention of a device which will positively prevent accidents to automobiles at grade crossings.

Old Hickory's Tour Arranged.

Adjutant Guy H. May of Knoxville says the "Old Hickory's" tour of the battlefields of Europe during 1921, endorsed by the convention of the veterans held at Asheville, N. C. last September, is attracting more than passing interest among the boys who helped make history against the Huns.

In making the itinerary it was the desire to see as much of Europe at as little expense and time as possible, and this has been accomplished.

The itinerary includes England, Belgium, Luxembourg, Switzerland, Italy and France, including Nice and the Riviera. If arrangements can be made, a visit will be made to Coblenz in the occupied territory or Germany.

Requests for reservations should be made direct to Mr. Albert F. Pierce, Jr., Travel Department, American Express Company, 65 Broadway, New York City.

WANTED—IRON BED FOR BABY. Phone 13, Louisburg, N. C. 6-10-11

ers Training School. She was accompanied by Miss Charly Maye Hennessee, who will visit her before returning to her home at Glen Alpine.

Mr. and Mrs. W. H. Yarborough and daughter, Mary Wyatt, left Tuesday for Woodbury Forest, Va., to attend the graduating exercises of Woodbury Forest School, from which their son, C. Hill Yarborough, graduates this year.

ROAD ELECTION SANDY CREEK

Erroneous Impressions Corrected—Roads to be Worked.

The following article was handed us for publication and is fully explanatory:

Owing to an apparent misunderstanding of the terms of the published notice of the election to be held in Sandy Creek Township, on June 15th, last, on the question of issuing further road bonds for the said township, we the undersigned Board of Trustees deem it advisable to explain hereby the following points:

On no account will the amount of bonds issued exceed that voted for. The amount to be voted on at this date is \$25,000.00. The question has been raised as to whether we are empowered to issue \$50,000.00 of bonds when this election is for only \$25,000.00.

The opinion of the attorney to the Board Mr. W. H. Ruffin, Louisburg, N. C., is that only \$25,000.00 worth of bonds can be issued if this amount is voted for. The \$50,000 mentioned in the aforesaid notice is the limit which can be voted in this township, but in no case can \$50,000 be issued unless the notice called for the issuance of \$50,000 which it expressly does not.

There are from eleven to twelve miles of new road to be built if the proposed bond issue carries. The first roads to be built we plan to be done from one camp at or near the White Edwards place and to include what are known as the "Bledsoe road," the "Hightower or Warrenton road," and the road from Terrels store to the Hayesville Township line.

Respectfully, G. B. WEST, M. C. GUPTON, J. A. HARRIS, Board of Trustees.

Junior Chautauqua Library.

The service commissioners of the Junior Chautauqua decided to collect books and money for a library Monday morning. Virginia Beck, Kitty Boddie and Will Yarborough canvassed Louisburg for books. They collected about one hundred with prospects good for many more.

Mrs. W. H. Allen returned home from Richmond Tuesday, where she has been with her son, Sam, who has been treated at a hospital. Their many friends will be glad to know that Sam is improving.

MANY TELL OF QUICK RELIEF OF LONG-STANDING TROUBLES

Real Power of Hospital's Home Treatment Shown By Results in Chronic Disorders of Stomach, Liver and Kidneys

Three Cases Typical of Scores of Others Reported at Hospital From Points Where Sanux is Now Being Distributed

Perhaps the most striking evidence of the remarkable power of the prescription now known as Sanux, which was used at the United Medico-Chemical Hospital for indigestion, dyspepsia, constipation, torpid liver and similar complaints arising from stomach, liver and kidney troubles, is found in the speedy manner in which chronic, long standing disorders respond to the treatment.

A great many of those who received the treatment at the hospital during the past several years were suffering from severe and complicated troubles, and it was the seemingly miraculous recoveries in many of these cases which created so much comment and caused the fame of the medicine to become widespread.

Thus it was that the demand for the prescription became so great that the directors of the hospital decided to offer it to the public for home treatment. The following statements which have recently been reported to the hospital are typical of scores of cases in which Sanux has promptly relieved disorders of long standing, in many cases after all other means had failed.

gan taking it. I am now on my second bottle and it has done me a lot of good. My digestion is better. I am not troubled with headaches any more. I sleep better and feel stronger and have more energy. My son is troubled with constipation and I've started him taking Sanux also and it has helped him already. Sanux has helped me after other medicines had failed, and I am glad to recommend it to others who suffer as I did."

Mrs. Robertson Says She Suffered For Seven Years ROANOKE, Va.—"For the past seven years I have suffered with constipation and indigestion, and one bottle of Sanux has given me relief I was never able to secure by any means."

United Medico-Chemical Hospital, 10th & Clay Sts., Richmond, Va.

declared Mrs. G. T. Robertson, of 1710 Norfolk avenue, this city. "My indigestion was so bad when I lay down nights, I would almost smother, but today I'm looking better, have a good color, my appetite is improving, and I sleep fine, resting better than in many years. Those smothering spells have ceased entirely, and I am relieved for once of constipation troubles. It has brought such quick relief I know I am now on the road to good health. I gladly endorse Sanux."

N. C. Farmer Relieved of Three Years' Suffering

PELHAM, N. C.—Mr. R. H. Jones, a well known farmer living on route 2, near this place, has been the victim of a severe case of indigestion for three years, and what Sanux accomplished in his case testifies to the remarkable power of this great Hospital Home Treatment to relieve disorders of a chronic nature.

"I had suffered from indigestion for three years," says Mr. Jones, when I heard of what Sanux was doing for others, so I decided to give it a trial. I have taken three bottles of the medicine and it has done me lots of good. My indigestion has been relieved and I feel stronger and better in every way. I gladly recommend Sanux as a fine tonic."

Sanux aids digestion acts as a mild laxative, gently cleansing the system of impurities, stimulates a natural, healthy appetite and builds up and strengthens the whole system.

Sanux is sold by most of the leading druggists in this section in eight ounce bottles. Take a bottle or two home with you today and commence this splendid "Hospital Home Treatment" at once. Do not accept a substitute, or something offered as "just as good."

If no druggist in your section has it in stock, the hospital will supply you direct on receipt of price—\$1.25. SOLD BY SCOGGIN DRUG CO.

They never made a cigarette like this in my day

The Camel idea wasn't born then. It was the exclusive expert Camel blend that revolutionized cigarette smoking.

That Camel blend of choice Turkish and Domestic tobaccos hits just the right spot. It gives Camels such mellow mildness and fragrance!

The first time I smoked Camels I knew they were made for me. I knew they were the smoothest, finest cigarette in the world, at any price.

Nobody can tell me anything different.

R. J. REYNOLDS Tobacco Co. Winston-Salem, N. C.

Announcement To The Public!

Because of the extreme tightness of money, we found it impossible to dispose of our entire stock of Merchandise, which was advertised to be sold at Public Auction for cash on June first, at any reasonable cash offer, and, for this reason, we have decided to continue to sell at retail this stock of goods.

We want to assure our friends and customers that if we have to take this great loss, we prefer to give our customers the benefit of this loss, as it is by and through them that we have been able to make this sacrifice in price now.

It will be our policy to continue to sell all of our merchandise at greatly reduced prices and we solicit your further patronage with the assurance to you that you will receive your full money's worth at our store.

Yours very truly,

Candler-Crowell Co.
