We want to assure our friends and customers that if we have to take this great loss, we prefer to give our customers the benefit of this loss, as it is by and through them that we have been able to make this sacrifice in price now.

It will be our policy to continue to sell all of our merchandise at greatly reduced prices and we solicit your further patronage with the assurance to you that you will receive your full money's worth at our store.

THIS MAN DREADED TO SEE NIGHT-COME

Was So Restless He Couldn't Sleep And Daylight Was Always Welcome.

With the exception of a little milk toast, which comprised my diet for more than eight weeks, I could not eat anything, said Capt. Geo. W. Womble, residing at 105 Jennings St., Knoxville, Tenn., a highly respected citizen of that city.

"I am now able," continued Captain Womble, "after taking two bottles of Tanlac, to eat practically anything. I had a bad form of stomach and intestinal trouble for a long time and for months my condition had been such that I suffered agony. I got so I could not eat the simplest food. I tried doctor after doctor and all kinds of medicine but nothing that was prescribed for me seemed to do me any good. I had a terrible pain in my breast just over my heart and for weeks and weeks I got no relief.

"I finally got so nervous that I actually dreaded to see night come as I could not sleep and was always too restless that I would rejoice to see daylight come. I was also constipated all of the time. In fact, life seemed a burden and I was so miserable that I was almost on the verge of despair. Several of my neighbors told me about Tanlac and advised me to try it.

"I am personally acquainted with Mr. Dan M. Chambliss, of the firm of Kuhlman & Chambliss, and when I told him of my condition and how I suffered he advised me to begin taking Tanlac without delay and that it had relieved hundreds of the best people in Knoxville. I have now taken two bottles of Tanlac and am giving you this testimonial in the hope that it may induce others to take it. Since taking this medicine I actually feel like I had been made all over again with the youth, energy and ambition of a sixteen year old boy.

Really Quite Simple.

Betty was late for school several days in succession, and her teacher took her to task for it, saying, "Can you give me a good reason for your being late?" Betty was quiet for a moment, and then said, "We just sleeps is all I know."
