CANNOT EXPRESS HIS GRATITUDE

Memphis Man Is Grateful For Wife's Recovery From Severe Attack of Pneumonia.

Among the hundreds of people who have realized the powers of Tanlac is the wife of Jeff Chastain, of 712 Chelsea St., Memphis, Tenn. "I am convinced," said Mr. Chastain, "from the wonderful improvement Tanlac has made in my wife's health that there's nothing so good for a run down system. Last January she had a severe attack of pneumonia and for a time no hope was held out for her recovery. Finally the crisis passed, however, and she was able to sit up, but had to be lifted in and out of bed. She had no appetite, could not eat and just lingered on in her weakened condition. "After the ordinary treatment failed to start her up hill I bought her a bottle of Tanlac and the way she has improved is astonishing. In a few days she had a splendid appetite and was up and about the house and is like an entirely different person. It has helped her like it had been made especially for her case and I have never seen or heard of anyone getting back their strength so rapidly. She sleeps soundly every night, gets up in the mornings feeling thoroughly refreshed and rested. She has also gotten rid of a very annoying cough the pneumonia left her with and is gaining right along in weight. I am so thankful to see her getting strong and well again that I just can't express my gratitude."

BASEBALL EXTRA.

The game opened with Molasses at the stick and Smallpox catching. Cigar was in the box with plenty of smoke. Horn played first base and Fiddle on second base. Backed by Corn in the field made a hor for the umpire, Apple, who was wotten. Axe came to bat and chopped. Cigar let Brick walk and Sawdust filled the bases. Song made a hit and Twenty scored. Cigar went out and Balloon started to pitch, but went straight up. Then Cherry tried, but went wild. Old Ice kept cool in the game until he was hit by a pitched bat; then you ought to have heard Ice scream. Cabbage had a good head and kept quiet. Grass covered lots of ground and the crowd cheered when Spider caught a fly. Bread loafed on third and bumped. Organ, who played a fast game, put out Lightning. In the fifth inning Wind began to blow what he could do. Hammer began to knock and Trees began to leave. The way they roasted Peanuts was a fright. Knife finished pitching and struck out six men. In the ninth Apple told Fiddle to take first base and then Song made a hit. Trombone made a stud and Meat was put out on the plate. There was lots of betting on the game. But Soap cleaned up. The score was 1-0. Door said if he had pitched he would have shut them out. The Red Triangle.

A Natural Error.
How did it come about, a friend of the family asked, that old Goldbug's daughter refused Lord — ? Well, you see, another friend of the family answered, Jane Goldbug is slightly deaf, and when the Earl proposed to her she thought he was soliciting for the Red Cross, and so she told him she was very sorry, but she had promised her money in another direction.—London Evening News.
