FINE ARRAY OF MUSIC EVENTS AT AUDITORIUM

Pavlowa, Sousa, Caga, Werren-
rath, Rachmaninoff and
R. Martin.

OTHERS COMING

John A. Park To Resume Role Of Im-
pressario Next Season, Assisted by
Mrs. Park.

With an array of musical talent that
music lovers of North Carolina have
seldom been offered in one comprehensive
course of unusual attractions, an
announcement is made by John A. Park
of his program of events at the city
auditorium next season.

Starting with two attractions during
the week of the State Fair in October
and continuing until spring, the series
will include some of the most con-
spicuous artists in the music world
and a versatility of talent calculated
to satisfy the most exacting taste.

There will be six attractions arranged
in one series of events at popular
prices. Tickets for all six events
will be sold at one time and reserva-
tions may be made at the beginning of
the season for the entire course.

The course attractions include Ricardo
Martin, Metropolitan Opera
House tenor, on November 3; Reinold
Werrenrath, baritone, on December
10; Rachmaninoff, Russian pianist, on
January 6; Anna Caga, Metropolitan
Opera Company soprano, on February
10; John A. Park and his Ameri-
can band, on February 27; and Anna
Pavlowa, dancer, with her Russian
Ballet and Symphony Orchestra on
March 4.

Attractions for Wednesday and
Thursday of Fair Week will be an-
nounced later. Tentative contracts
for a recital at that time by the late
Enrico Caruso had been arranged, sub-
ject to the famous tenor's ability to
visit Raleigh on his contemplated Sou-
thern tour in the fall. There are several
concerts for the spring season to be
announced after the Metropolitan
Opera Company completes its person-
nel of artists for fall and winter con-
certs in New York.

Starting with Meibla and Kubelik in
1914, Mr. Park has been identified with
many of the musical successes in Raleigh
that have appeared at the audi-
torium. For several seasons he has
been in charge of the big courses and single
attractions presented by the Rotary
Club. He has been identified
with the appearances of other artists,
such as Paderevski, Farrar, McCormack,
Galli Curci, Lazzari, Mabel Gar-
rison, Evan Williams, Kreisler, Ama-
to, Galski, Neilson, Metropolitan Opera
House Orchestra and others.

Associated with Mr. Park in the pre-
sentation of musical events next season
will be Mrs. Park, who has assisted
with the same kind of work since the
Meibla-Kubelik concert of seven
years ago. Her office will be in the
new Times building where she will
handle the sale of tickets.—Raleigh

YOUNGSMVILLE VS. ZEBULON.

Announcement is made of a game of
baseball this afternoon at Youngsville
between Youngsville and Zebulon,
which promises to be quite an inter-
esting game. Everybody is invited
to attend and enjoy an evening of real
ball sport.

AMERICAN LEGION NOTES.

James Post No. 105, American Leg-
ion and the Ladies Auxiliary of Louis-
burg held a joint meeting last Friday
evening in the Club rooms. The oc-
casion for this joint session was a visit
of Mr. Kale K. Burgess, Depart-
ment Adjutant of the Legion of North
Carolina. Mr. Burgess made a very
interesting talk to the legionnaires
about the objects and hopes of the leg-
ion, which was enjoyed very much by
all who were fortunate enough to
hear him. The club rooms were very
tastefully decorated for the occasion and
the Ladies Auxiliary served punch,
ice cream and cake.

Louisburg has a live post and auxil-
iary, and they will surely be heard
from in the future in their efforts in
behalf of civic and social betterment
in the community.

The state convention of the Ameri-
can Legion meets in Hendersonville,
N. C., August 27-29, and the follow-
ing named delegates have been elected.
For the Post: S. P. Boddie and
T. K. Stockard. Alternates, Clyde
P. Collier and J. E. Malone, Jr. For
the Ladies Auxiliary: Mrs. Julia B.
Swindell and Miss Ruth Hall.

The club also wishes to express its
sincere appreciation and gratitude to
Mr. L. W. Parrish for the handsome
clock which he presented to the club.
And also to remind the public and es-
pecially their friends that the club is
still in a very receptive frame of mind.

TO OPEN TUESDAY WEEK

AUDITORIUM TO BE CONVERTED
INTO CLASS ROOMS.

Supt. Mills Urges All Children to En-
ter Promptly on The First Day—
Get Book Lists.

As an additional preparation for

school facilities at the Graded School
which will open Tuesday week, Supt.
Mills informs us that the Board will
have partitions run in the Auditorium
dividing it into class rooms. He ur-
ges all pupils to enter the first day
and attend regularly all the session,
for best results. Speaking further in
regard to the school Supt. Mills says:

School opens Tuesday, Aug. 30, and
it is urged that all pupils be in school
on the opening day. All children
from 6 to 21 years of age are eligible
to attend the school, but we are not
allowed to receive any children under
six years of age. The State law for-
bids and the interest of the child de-
mands that he be allowed to grow till
he is at least six with no task to inter-
fere.

To all pupils who failed of promo-
tion an opportunity will be given next
week to stand examination. No pupil
will be allowed to go up to the next
grade who is not found able to do the
work.

Send to school one day next week
and get a book list, look over the
books you have, use all of them you
can, buy only such as are necessary.
It aids us greatly if you will attend
to this next week.

The school belongs to the people
and demands a large amount of mon-
ey. We want all the patrons to help
us make it a paying institution.

CATCHES SNAKE.

Information was brought to Louis-
burg Saturday that Frank Griffin, of
Cedar Rock township, who claims to be
a holiness preacher, declared he
could pick up a snake and even if the
snake bit him it would not injure him
as he was holy. So arrangements
were made for him to catch a snake at
Joe Collins, which he did, the snake
biting him on both hands. In a short
while his hands were badly swelled
and at last information were in a bad
condition.

AT METHODIST CHURCH.

We are requested to state that there
will be regular services at the Metho-
dist Church on next Sunday morning
and night, conducted by Pastor G. F.
Smith.

There will also be services at Piney
Grove Sunday afternoon at 3 o'clock,
Rev. G. F. Smith preaching.
The public is cordially invited to
each of these services.

REV. T. D. COLLINS TO PREACH.

Announcement has been made that
Rev. Trela D. Collins, a former pas-
tor, but now with Wake Forest Col-
lege, will preach at the Louisburg
Baptist Church Sunday at the regular
hours.

Everybody is invited to go out and
hear Rev. Mr. Collins.

IRISH STILL HOPE FOR A SETTLEMENT

Pessimism Gives Way To Reasoned
Optimism On Eve of Parliament
Meeting.

Dublin, Aug. 15.—The pessimism
over the Irish situation which today
in some quarters in Dublin reached al-
most to the point of hopelessness,
yielded tonight to reasoned optimism
when the program for the meeting to-
morrow of the Dail Eireann was made
public.

Instead of immediately taking up the
problem of peace, or war, the Sinn
Fein parliament will spend at least
two days in dealing with the formal-
ities incident to the opening of the
new legislative body, thus providing
an opportunity for many things to hap-
pen behind the scenes.

All Ireland is eager for a decision by
the parliament on the British govern-
ment's terms, whether it be accept-
ance of them, the expression of a de-
sire for further negotiations, or rejection,
in order to remove the tension
which exists.

The belief prevails that rejection
would mean a resumption on an in-
tensified scale when the struggle ends,
of the guerrilla warfare that for so long
terrified the country.

Dublin castle officials view the pro-
longation of the sessions of the Dail
Eireann in various lights.

One section of the British govern-
ment forces expresses the fear that de-
lay in immediately acting on the trou-
blesome questions at issue may pro-
voke the military, which is declared to
be not hopeful of a favorable settle-
ment, into making preparations for
eventualities.

The other section, however, advances
the opinion that the longer the mem-
bers of the Dail Eireann are in de-
bate the greater will be the chance
for acceptance of the imperial govern-
ment's terms. These persons affect
to see a bright spot in a prolonged ses-
sion, arguing that one day would be
sufficient to end the negotiations if
the republican cabinet so desired.

TROOPS GUARD CONCORD MILLS

First Arrest Made By Military When
Man With Revolver Attempts To
Cross the Guard Line.

Concord, Aug. 15.—One arrest was
made here this morning at the open-
ing of the Locke cotton mill when an
unidentified man attempted to cross
the guard line thrown around the mill
properly by State troops.

The arrested man was searched, a
revolver found on his person and the
guardsmen turned him over to the lo-
cal police authorities. He did not re-
sist and there was no serious distur-
bance following his arrest. The man
is being held in the city prison.

The Locke mill re-opened at 7:30
o'clock this morning, approximately
150 employees going to work. A crowd
of 300 or more union workers out on
strike gathered about the mill, but con-
tented themselves with "heckling"
those who went to work.

Why Troops Are Sent.

Governor Morrison announced that
the decision to order troops to Con-
cord in view of the striking situation
came after urgent requests from city
and county officials of Cabarrus coun-
ty. Mayor J. W. Womble, of Concord
yesterday in a formal request to the
governor for troops stated that the sit-
uation was growing worse and it was
felt that rioting may result Monday
morning and that human life will be
sacrificed unless sufficient force is pro-
vided. All efforts to secure a suffi-
cient number of police have failed he
stated.

Sheriff C. L. Spears wired that as
the city authorities could not handle
the situation and he could not, the mat-
ter was in the hands of the governor in
case trouble should start. Chief of
Police C. A. Robinson urged that
troops be sent at once before it was
too late as the situation could not be
handled by city authorities.

Barret On Scene.

James F. Barret, president of the
North Carolina Federation of Labor, is
at Concord in order to get first-hand
information regarding the situation
and stated that he has been in close
touch and believed that there would
not be any violence.

The general strike was called on
June 1 after wages had been cut forty
per cent by the mill owners. The
employees urged that the cut should
not be more than 22 1-2 per cent. Pick-
et lines have been kept by the men
around the mills and an anti-picketing
ordinance will be contested in the
courts, union leaders say and will prob-
ably decide the future on picket lines
in the State.

The only new development in the
strike situation in Concord, so far as
the adjutant-general's office had been
informed, was that Major Faison had
availed himself of the general order al-
lowing him to call out the Charlotte
company if he found it necessary, and
the telegram from Camp Glenn stating
that Adjutant General J. Van B. Metts
was on his way to Concord, and would
pass through Raleigh this afternoon at
4 o'clock. The telegram from Major
Faison said that he thought it would
be for the best interests of the public
to call on the Charlotte company.

Another one of the cotton mills was
opening up today and he wanted addi-
tional troops to aid in preserving or-
der.

There has been no disturbances up
to the time the last message was filed
by the commanding officer in charge
there. He did not believe there would
be trouble if he had sufficient troops on
hand to stop anything that looked like
a riot in its incipency.

J. Frank Mitchell, chief clerk of the
department, is keeping in touch with
the situation in the absence of the ad-
jutant-general and the assistant ad-
jutant, Major Gordon Smith, both of
whom had gone to Camp Glenn for the
annual summer encampment of the
cavalry troops of the State. Mr. Mit-
chell intercepted General Metts at
Newbern last night and had messages
covering all the details delivered to
him on the train at Newbern. He met
the train passing through Raleigh this
afternoon and gave him the addi-
tional information in hand.

Will Be Near \$300,000,000; List of
Taxes Repealed.

Washington, Aug. 18.—A reduction
of \$750,750,000 in the annual tariff bill
of the nation will result from the chan-
ges in the 1922 revenue act embodied

in the new administration tax bill.
Chairman Fordney of the ways and
means committee declares in a major-
ity report filed today with the House.
"Inasmuch as the repeal of the ex-
cess profits tax and reduction of sur-
taxes on individual incomes do not be-
come effective until the calendar year,
1922," the report said, \$406,250,000 of
the contemplated loss of revenue will
not be reflected in revenue collections
prior to 1923.

Actual reductions in taxes for this
fiscal year, the report continued, are
estimated at approximately \$200,000-
000, total collections under the new
bill being figured at \$3,376,000,000 as
against estimated collections of \$3-
576,000,000 under the present law.

Estimated Cut

Estimated reductions in taxes begin-
ning with the calendar year 1923, are

vidual incomes to 32 per cent, January
1, 1922, \$390,000,000.
Increased exemptions of heads of
families to \$2,500, for incomes not in
excess of \$5,000, \$40,000,000.

Additional exemptions for dependents
increased to \$400, from \$200, \$30,000-
000.
Repeal of all transportation taxes,
January 1, 1922, \$262,000,000.

000.
Sporting goods \$2,000,000.
Furs, \$4,510,000.

So-called luxury taxes \$15,000,000.
Estimated gains in taxes beginning
with the calendar year, 1923, are given
as follows:

Increase of corporation income tax
from 10 to 12 1-2 per cent January 1,
1922, \$133,750,000.
License to sellers of soft drinks, \$10,
000,000.
Tax of six cents on cereal beverages
\$12,000,000.
Tax of five cents on carbonic acid
gas, \$2,000,000.
Taxes on fruit juices, still drinks and
fountain syrups, \$12,000,000.
Substitution of manufacturers' taxes
on toilet preparations and proprietary
medicines for existing stamp taxes,
\$8,000,000.
The total loss in revenue is thus
placed at \$968,080,000 and the total
gains at \$177,750,000, leaving the net
loss of \$790,330,000 estimated by the
report.

MAYOR JOYNER ENDORSES

CO-OPERATIVE MARKETING

As the Mayor of Louisburg and as a
citizen of Franklin county I want to
express my hearty endorsement of the
Cotton and Tobacco Growers Associa-
tions for I believe them the only real-
ly practical way in which our farmers
and business men can recover from the
present depression caused by the low
prices paid the past season for cotton
and tobacco. In the organizations I
can see a very definite effort to place
the selling of farm crops on a basis
as businesslike as that employed by
any modern business concern and I
can see no reason why these methods
should not prove as successful for
the sale of these crops as they have
proven for all other lines of business.

I can see in these associations a
movement which I sincerely believe
will bring prosperity to Franklin
county and to the whole South in a
manner never before paralleled. In-
stead of the high prices paid for these
crops during the latter part of the war
and the year following with a corres-
ponding high scale of prices for things
which we had to buy there will be, it
appears to me, an unending period of
highly profitable prices for these crops
without the high prices we were forced
