

### 'Insurance Protection Plus Service'

Yes, we represent as good Companies as there is, issuing Insurance protection to cover everything that's Insurable, giving service that satisfies.

We have TWO leading Companies issuing policies to cover TO-BACCO CURING BARNs against loss by FIRE this season, and pay prompt attention to every request received for this protection by mail, just say COME on a postal card and we will be there the day card is received.

Last season we insured 263 barns, had several to burn. We expect to insure 1000 this season.

During this year we have paid several THOUSAND DOLLARS in DEATH and FIRE claims in FRANKLIN COUNTY, we will be sure to pay lots more. INSURE, get yours, be safe, not sorry.

#### A CORRECTION.

Mr. Editor:

Dear Sir:—In reply to the criticism you wrote about me and the reply to what you said about what I wrote to the News-Observer in regard to Co-operative Marketing, I want all to understand that I am not opposed to Co-operation and to nothing else that will help the farmer, as I am a farmer myself and work about as many days as anyone every year. I know this Co-operation would be a good thing if it was established.

But many know how the farmers have stuck to all organizations, Mr. Editor. You can see in your own town some of their failures. And just travel all over the South and you will see large warehouses standing idle.

And now some of the people that worked against the Union is working for this Co-operation. I am sorry that the people could not have the interest in the farmers when the war broke out in Europe and also last fall when our Cotton was taken from us for one-half of cost of making it. It is too late to pray for us, after old Satan has got us.

Mr. Editor complimented me for being a leader in my section among the farmers. No I am not a leader as I am no Moses. It will take a Moses to lead them and it will take as long to lead the farmers to the Promised Land as it did the children of Israel into the Promised Land. Because old Pharaoh would follow after them.

No I want to see the day when the farmer will be organized. But anyone that has seen our failures can not help having his doubts.

Mr. Editor quoted scripture and spoke of Mr. Edison's success and others as inventors. I am sure Mr. Edison did his own thinking and own planning.

You went so far as to say that anyone that was against the farmers welfare was not fit to lead them. That is true and no one is prepared to lead the farmers that does not farm himself and knows nothing about farming. But if you want to get rich farming just ask the fellow that never worked on the farm and is looking for a good job he can tell you all about it.

It seems as you thought that I was referring to Mr. Joyner when I spoke of teachers being interested in this matter. Mr. Joyner is a fine man, God bless the man that is working for education. If all the farmers were educated we would not need so much organization.

Mr. Editor I trust that you will publish this because what you wrote about this has caused some to have the wrong idea about me. If you will think just a little you will see where I stand and I hope if any one replies to this it will be some one that has had the experience that I have.

Yours very truly,

G. H. PERGERSON.

#### BUNN NEWS

Friday night, Sept. 23rd, was stunt night at the Bunn Consolidated school. Each class in high school took part in the performance, which was enjoyed by a representative crowd of citizens.

The stunts were originated by the pupils themselves under the direction of Miss Ella Sherrrod, who is the efficient teacher of English in the high school. Miss Sherrrod is a graduate in Expression and her readings have been a subject of favorable comment in the community. Her professional training and her pleasing personality make her a valuable asset to the faculty of the Bunn school.

The enrollment of the school to date is 229 with 64 in high school. The spirit of co-operation is evident among teachers and pupils and all indications point toward a successful school year.

#### TWICE PROVEN

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's Louisburg evidence—doubly proven.

Mrs. D. C. High, Middle St., Louisburg, says: "Three years ago I was nearly down with my back. I could hardly get around, my back pained me so badly and I heard so much about Doan's Kidney Pills I got a box. After taking a few doses my back felt easier. I followed directions carefully and continued taking them and I was entirely cured. My back was never better."

On June 24, 1918, Mrs. High said: "I can recommend Doan's Kidney Pills as highly today as I did in my last endorsement. Doan's entirely cured me and I have had no return of kidney trouble since."
