**B**OTH farmer and manufacturer have learned that the highest grade products are valuable till they reach market. Roads have a direct bearing on community wealth. And, by actual proof, the poorest roads are the most expensive—a luxury even the richest community cannot afford.

The value of concrete roads is indicated by the fact that concrete roads sufficient to reach from New York to San Francisco and back again, more than twice the mileage of any previous year, were built in 1921.

The contractor and building material dealer are good judges of types of construction. They know the advantages of permanence and economy. They also know materials, and recommend Atlas Portland Cement, "the Standard" by which all other makes are measured.

### BUNN NEWS.

We are here to see you again after a long absence on account of the weather being so very bad that we could not come before nevertheless we are glad to be back at last.  
We are very sorry that the weather was bad today because we were to have a basket ball game also two "Morries."  
Messrs. B. C. Johnson, E. P. Carneal, B. M. C. Mullen and R. B. Dodd visited Raleigh yesterday.  
Mr. Coble, the Methodist preacher, delivered a very interesting address at the school building last night.  
The High School basket ball team is showing some improvement over last year and also making a noticeable record for itself. So far it has played 9 games winning 5 of them and losing one by the score of 5 and 7 to Justice. It has not lost a single game since joining the association and has not lost a game played on its home court. Since becoming members of the Franklin County Basket Ball Association it has won 3 games and has 4 forfeited games won to it's credit. And none against it.  
There are also some better prospects for a base ball team than last year brought. The pitching staff promises to be very strong as we still have with us the heroes of last year Hagwood and White. The star receiver Chamblee is still with us and also Seymore as his substitute.  
Altho bad weather has conflicted very much with the basket ball schedule we intend to make a try for State Championship next year. Hurgah for Bunn.  
We are sorry to learn that Mr. Kanoy, Asst. cashier of the bank here has resigned his position and is to leave us.  
As the annual inspection was "pulled" last Tuesday night the following were visitors at Louisburg from Bunn that night: Aldwyn Jones, Gloma White, Willard White, Lieut. W. H. White and Edgar Seymore.  
Tootsie has a little Beau  
His feet grew all they could.  
He wears shoes No. eleven  
So you know it is "Hagwood."  
Some excitement was caused here yesterday when a pair of mules ran into the drug store.  
Messrs. Hagwood, Frank Chamblee and others went to Zebulon on Monday to "take in" the Mr. ...  
Well we didn't get out after six o'clock and "scrub" ...
