If the Ku Klux lives up to its creed as published elsewhere in this issue every community in the country should have an organization.

The Interstate Commerce Commission has ordered a reduction in freight rates of about 10 per cent to become effective about July 1st.

Don't forget that Saturday one week is Primary day. Go out and vote for the men you wish to hold the offices in Franklin County the next two years.

The tax case brought against the Tax Commission by Hon. W. M. Person that was to have been heard in Raleigh Monday before Judge Calvert, according to a phone message to the TIMES had not been heard Tuesday.

The Franklin News, a new paper published at Warrenton for Franklin County is a very neat and newsy sheet. We wish for them a greater portion of success in this venture than was accorded the TIMES in such a venture a few years ago.

After the address the class sang Sir Arthur Sullivan's arrangement of the "Last Chord."

The diplomas were presented to the graduates by Mr. W. H. Yarborough; and the seventh grade certificates to pupils completing the grammar school by Mr. Mills.

Two pupils, Misses Max Allen and Viola Williams received special commendation for not missing a single day during the entire session. The program closed with a chorus by the senior class "The End of a Perfect Day."

MR. PERRY WITHDRAWS

To the Voters of Franklin County: Realizing the necessity of getting over the county and seeing the voters in order to be put on an equal with the other candidates in the primary and as my financial and business conditions would not justify this I have decided to withdraw from the race for Sheriff. In making this withdrawal I want to extend my deepest appreciation to my many friends for their loyalty and assured support. And I can assure you all that the recollection of your hearty support will always be a source of pleasant reflection. Thanking you again, I am Sincerely, A. W. PERRY, JR.

DR. AND MRS. H. G. PERRY ENTERTAIN.

Monday evening Dr. and Mrs. H. G. Perry entertained in honor of their guests Mr. and Mrs. Abbott and Mr. Harold Abbott, of Adrian, West Virginia.

Punch was served and the evening very pleasantly spent in viewing magic lantern pictures and playing card games on the porch, with music and dancing in the house.

During the evening Mr. Carl Pearce sang several solos which were received with enthusiastic applause. About forty people enjoyed the hospitality of Dr. and Mrs. Perry.

CO-OPERATIVE MARKETING

A Department Conducted For The Information of The Members of The Cotton and Tobacco Growers Associations.

By A. F. JOHNSON, Secretary

General James Macgill, Commissioner Brigadier General by General Gordon, C. S. A., commanding the Second Brigade of Virginia Confederate Veterans, is in the battle line of our generation. General Macgill has recently signed the five-year contract of the Tobacco Growers' Co-operative Association.

Our leaders who served under the stars and bars, are with us still pointing the way in the advance of 70,000 Southern fighters for economic freedom.

In the following letter to Oliver J. Sands, Executive Manager of the Tobacco Growers' Co-operative Association this leader of the Confederacy tells why he wishes to join the organizing planters of Virginia and the Carolinas:

Mr. Oliver J. Sands, Executive Mgr. Tobacco Growers' Co-op. Assn., c/o American National Bank, Richmond, Va.

Dear Mr. Sands: I am glad to see that the Tobacco Association of the State of Virginia has gone into this organization, and hope they will effect one that will be of benefit to the farmers of the country.

I was in the tobacco business for a number of years in Pittsylvania and Henry Counties, and after finding out that all of my product was under the control of tobacco warehousemen and the farmers were forced to take the price they set for the tobacco, I withdrew from the tobacco business and went into the stock business in Pulaski County where I could raise just what crops as I could consume on my place, and not submit to the tobacco warehousemen or commission merchants.

I do not think the farmers will really get their dues, or will succeed, until this organization is perfected. I have always contended that the farmers could get together and manage their business just as bankers or other organizations are being managed and until they do this, they will never succeed in the tobacco business.

Yours very truly, JAMES MACGILL.

HEADQUARTERS DETACHMENT, FIRST BATTALION 117th FIELD ARTILLERY NEWS

Youngsville, May 26, 1922.—The men of the Co. met Saturday at 2.30 p. m. to discuss the organization of a base ball club, before time for the drill. Twenty best players present were selected; however there were other prospective players who were not present Saturday. A trial game will be played next Saturday and the most efficient players will be selected by reliable judges to constitute the first nine. The Captain and manager of the team have not yet been elected, but conditions are exceptionally favorable for a splendid team and they hope to announce a game within the next week or so.

Captain Underwood and Lieutenants Timberlake and Hicks are showing lots of confidence in their men whom they feel assured will maintain that good reputation which is given them by all National Guard officers and inspectors who have visited them since they were organized in June 1921; when they reach camp for their summer vacation.

The commissioned officers of the Co. have laid an especial stress in addressing the men; upon the value of dignity and neat appearance in military life, and upon cooperative obedience to all superior officers; which shows their high standard of character and intelligence which they have been highly complimented upon by all who have been personally interested in National Guard work.

The Youngsville Co. of the National Guard is now open for several recruits and all those expecting to enlist should do so at once as no ex-service men can enlist for only one year after June 5, 1922. After that date all ex-service men will enlist for three years.

All men now belonging to the outfit may enlist for one year at the expiration of his term. The recruiting department will be closed June 30, until August 22, as the company will go to camp Aug. 6 and sufficient training to go to camp will be impossible in such short time with new men.

THE FRANKLIN CO. BARACA-PHILATHEA UNION

The Franklin County Baraca-Philathea Union met with the classes of Perry's Baptist church May 4-7.

Saturday afternoon, Dr. A. Paul Bagby, pastor of the Wake Forest church, preached a very helpful and inspiring sermon, using as his text Acts 28:3. "When Paul had gathered a bundle of sticks," he said, "1. Paul showed us an example of true service. 2. Example of humility. 3. Example of common sense. The only way to ever be warm in the spiritual world is to do something. Get busy and get warm. The only way in God's Kingdom to keep warm is Service." We are sure all of us will be profited by this sermon, and that we will get busy and get warm.

Saturday evening, Devotional exercises were conducted by Rev. J. F. Mitchiner, using Luke 10, as his scripture lesson.

We were fortunate to have our State

Secretary, Mrs. N. Buckner, of Asheville with us. She told us of the need of the Baraca and Philathea classes, and what they have accomplished in thirty-one years. She also spoke of the Junior work. We are always glad to have Mrs. Buckner with us, for we know we will have something to make us want to do greater and better things.

Sunday morning at 10:15 Devotional exercises were conducted by Mr. L. H. Allison. After this the roll was called and twenty classes reported. Three of these being new classes. Committees were appointed as follows: Nominating committee, Mrs. T. H. Dickens, Mr. George Cooke, Mr. William White. Committee on time and place, Mr. L. E. Privette, Mr. J. W. Daniel, Mr. Olive. Judges, Mrs. N. Buckner, Mr. Saleeby, Mr. Moore. Programme committee, Mrs. J. F. Mitchiner, Mr. Giles Burnette, Mr. E. J. Cheatham.

The address of the morning hour was delivered by Mr. Saleeby, of Salisbury. His subject was, The Sunday School and the organized classes. He said, "The Sunday School was the right arm of church, and the Baraca-Philathea movement was the backbone of the church. He illustrated with a Sunday School Barrel. The primary and junior departments didn't leak, but the barrel begins to leak in the intermediate, and the hoop bursts off with the adults. Why not stop the leak? The biggest step any man takes, is going to Sunday School. Look at these startling facts. 3,525 Sunday Schools in North Carolina. 1,210 churches without Sunday Schools. \$21,999 enrolled in Sunday Schools. \$85,540 under twenty-five years of age not in any Sunday School, or receiving any religious instructions."

We were fortunate to have Mr. Saleeby with us. He is one of the best Baraca workers in the State and has organized more classes than any other one person in the State. He has enjoyed having him, and hope to have him with us again.

The Union pledged \$200 for state work for the incoming year.

At the noon hour a most bountiful dinner was served on the grounds. Everybody had a plenty and lots of it left on the table.

Sunday afternoon at 2:00 o'clock the meeting was opened with a song service. Mrs. Buckner spoke to us again, about Secret Service.

In the Round Table Discussions, very interesting and helpful talks were made by Mr. B. W. Ballard, Mr. C. M. Beam, Miss Ruth Alford, Mrs. J. F. Mitchiner, Mr. George Cooke, Mrs. T. H. Dickens and Mr. J. O. Purnell.

The following is the report of the nominating committee: President Mr. L. H. Allison, 1st Vice-President Mrs. J. F. Mitchiner, 2nd Mr. J. A. Wheeler, 3rd C. T. Moody. Secretary and Treasurer Miss Bessie Strange. Time and place, First Saturday and

Sunday in November, Justice School auditorium.

The Judges on reports decided that the Sandy Creek Baracas and the Sandy Creek Junior Philathea were entitled to the Banners. The Junior classes of Maple Springs deserving Honorable mention. This being the third time in succession the Jr. Philathea class of Sandy Creek having won it, they were given the Banner for keeps. Mr. B. W. Ballard made a motion that their reports be published in The Franklin Times. Mr. J. O. Purnell made a motion for the Union to send the President and Secretary to the State Convention which meets the 15-18 of June, at Hendersonville. This motion was carried.

We hope each class in the County will send delegates as there is great things in store for us.

The special music by a quartette from the Baptist church of Franklinton, a duet by Miss Williams and Mrs. Whitaker from the Louisburg Baptist church and a duet by two girls from the Louisburg College, was enjoyed very much.

It goes without saying this was one of the best meetings we have ever had and we thank the people of Perry's for their royal entertainment. We hope to go to Perry's again soon.

Please see that every class has a good report at Justice in November. "Meet me at Hendersonville." Let this be your class slogan.

To the Baraca-Philathea Convention of Franklin County—Greetings: Since the last convention we have strove not to make our work be consisted of one big thing, but many small ones. Trying to follow our motto, "We do things."

We have on roll 21 members with an average attendance of 16. Nineteen out of the 21 are church members. Enrolled since the last convention 3 new members.

For an aged man of our community, who was ill for a long time, spending a part of his time in Sarah Elizabeth Hospital at Henderson, we made up money and paid his tax. Besides remembering him with many gifts at Christmas time. We have also pledged to pay \$10.00 on his guano bill.

For a widow lady with 3 children, we helped in buying their Christmas gifts.

Last Christmas we Jr. Philatheas joined in helping the Woman's Club by carrying the older people cakes, candies and fruit. Also bought Christmas cards and sent them.

On Oct. the 29th, 1921 and May 3, 1922 we entertained the Baraca's Sr. Philatheas. For the first we served supper, played many games and sung songs. For latter we served cake, cream and other refreshments.

But always we must keep the older people or (parents) of our community in memory. On April 29, 1922 we gave a social in their honor. First we gave a program consisted of many songs and recitations, we thought appropriate for the occasion. Then we served fruit, cakes, candies, etc.

By corresponding with other Jr. Philatheas in Florida, we feel that our class has been greatly benefitted by giving and receiving information, as to the best way in which to conduct our class.

We hope to do better work and be of more service to other classes in the future than we have in the past. Read and approved by the class, May 3, 1922.

LANTHA BURNETTE, Pres. LOLA ALLEN, Sec'y.

FOR SOLICITOR Seventh Judicial District

WM. FRANKLIN EVANS of the Raleigh Bar Thirty-nine years of age. Fourteen years active practice as a lawyer. Has the ability, vitality and integrity necessary for the office.

TO THE VOTERS OF FRANKLIN COUNTY:

In making this appeal to you, I do not desire to make war upon your local candidate, but to ask the support of such of you as are intending to vote for some other man. The following indorsements will give you some knowledge of me, and tell you who I am. I was not born in the district, but in Pitt County; yet, like many of you I was raised as a baby on milk and Tar River water.

If elected you may expect a fair and impartial administration of the duties of the office. The office of Solicitor is the most important office you will vote on this year. May I not ask your support and friendship? Very sincerely, W. F. EVANS.

A Few Testimonials of Those Who Know Him Best

Mr. C. B. Edwards, of Raleigh, formerly of the old firm of Edwards & Broughton, now retired, says:

I first knew Mr. Evans as a lad nine years of age. I was then a trustee of the Odd Fellows Orphan Home, at Goldsboro, N. C., and young Evans was entering the institution as an orphan boy. I have known him ever since and have watched his career with almost fatherly interest. He left the Home at the age of sixteen to make his way in the world. Through self-study he obtained his license to practice law. I have watched his career as a lawyer and have seen him climb to a commanding position in his native county of Pitt, and have known him here in Raleigh for the last several years as an able member of the Raleigh Bar. He became the youngest Grand Master of the Grand Lodge of Odd Fellows the State ever had, having served as such for the term May, 1914, to May, 1915. He also represented this jurisdiction in the Sovereign Grand Lodge of the World for the two years following his term as Grand Master. He was a member of the State Senate of 1913 from the Fifth District, and was the youngest member of that body. He is now a trustee of the institution that gave him his start in life. He has character, abil-

ity and strength, and is worthy of any trust that could be given to his keeping.

Prof. G. E. Laneberry, Sdpt. of the State Institution for the Blind, Raleigh, N. C., says:

My first acquaintance with Mr. Evans was 20 years ago when I was at the head of the Winterville High School, in Pitt County, and Mr. Evans was a country school teacher. He is a fine type of the self-made man. Through all these years I have known him as a man of strength, sterling character, and of extraordinary ability. He can be trusted to do his duty in office.

Mr. John D. Berry, Grand Secretary of the Grand Lodge of Odd Fellows of North Carolina, adds this:

Since Mr. Evans is one of our old Orphan Home boys and has always taken quite a prominent position in the affairs of our order, I have naturally been thrown with him for the last several years. I think it but fair to say that he is a man of whom we are justly proud because of his successful career and his high character. As a lawyer of ability, I know that he will make a great reputation if permitted to serve the people of this district in the office of solicitor.
