

The Joyous Planning of Vacation Clothes Now Holds Sway

These very attractive Frocks are in styles and fabric designs that are being shown for the first time. We looked everywhere for the loveliest Frocks that were to be found anywhere and here they are. There's a fashion for every vacation hour, from perky porch costumes of cretonne and gingham, to formal dance Frocks. They are Frocks of which you will want to choose several right away, partly as inspiration for the rest of your vacation wardrobe.

Our lines of Millinery. Shoes and all the necessities for Mylady's wardrobe are complete and new, introducing the latest style creations and are priced to suit.

THE JAUNTY RATINES

The Frocks of the immediate present are the novelty striped and plaided Ratines, fashioned on chemise lines, swagger for sports. Vogue Blackshire Gowns, Novelty Voiles.

FROCKS OF SHEER FABRICS

A delightful coolness, an unusual attractiveness—a whole garden of flower colorings to choose from make Organdie Frocks all-time favorites that have never been lovelier than in this summer's styles.

MORE STURDY GINGHAMS

One fine thing about Gingham for a vacation is the fact that they don't soil quickly, not even the lighter periwinkle and mimosa shades. Canna plaids are also new and very smart combined with organdie or pique.

SPOTS

Spots, Stains, Harmlessly Removed

It is never safe to attempt to remove stains and spots from fabrics through the use of chemicals which may have been purchased from the house-to-house vender.

Different fabrics require different treatments. It is really a problem for the expert.

Through lifelong study of the subject, we are equipped to remove stains properly, without injury to the texture or color of the fabric. Do not take chances. Send your clothing, rugs, carpets, curtains and so forth, to us for expert cleansing.
