Quite a big drive is now being made for a complete sign-up for cotton and tobacco in this County.

Every method is being used by the republican Congress to keep Henry Ford from getting hold of Muscle Shoals, and reducing the price of fertilizer to the farmer.

There will be a second primary to be held on Saturday, July 1st, to determine the nominee for the office of Solicitor, Register of Deeds and House of Representatives.

Mr. G. W. Cobb is deserving of the commendations of the people of Louisburg and community upon his equipment of the up-to-date plant he has installed in his New Meat Market.

The recount of the vote for Jones and Green in Harris township by the Board of Elections on Thursday of last week resulted in 161 for Jones 152 for Green making a total of 1600 for Jones and 1512 for Green.

CO-OPERATIVE MARKETING.

Availing themselves of the invitation carried in an advertisement in the FRANKLIN TIMES a few weeks ago some of our farmers have received letters from Kentucky, among them are two we publish as follows:

Mr. E. L. Rogers, Kittrell, N. C., R. F. D. No. 1. Dear Sir: I am just in receipt of your letter May 22nd, and contents carefully noted.

The tobaccos sold and delivered by the Association during the month of February did average \$29.00, but all of the tobaccos we sold in winter order did not average this much.

We have, however, some green tobaccos which we are air-drying, and which we are holding at a much lower price than our regular grades, and if we continue to sell what we have on hand at the prices we are now getting for them, it is reasonably certain that we will get at least from \$2.00 to \$4.00 per 100 pounds more for the tobacco in the Association than the grower on the outside has gotten on the auction market.

The members of our Association are all highly pleased with the results we have accomplished this year, and I am sorry that the tobacco growers of your state cannot come to Kentucky and see for themselves the general satisfaction our Association is giving.

With best regards, I am Yours very truly, JAMES C. STONE, President & General Manager.

Rineyville, Ky., June 7, 1922. Mr. W. G. Roe, Louisburg, N. C. Dear Sir:—Yours to hand. Join the organization and you price it and get it. Old plan they price it. Now which way do you want it.

We have gotten a good price for our tobacco, and have received four-fifths of the pay already. And this is evidence enough. We handle it cheaper, I mean the consumer buys it cheaper, I mean the manufacturer. It is a big saving to all. The Manufacturer is as well pleased as the farmer, it looks like. Glad to write you.

Yours, W. H. OSBORNE.

HEADQUARTERS DETACHMENT, FIRST BATTALION 117th FIELD ARTILLERY NEWS

Youngsville, June 16.—Sergeants M. E. Watkins and Vassel Preddy, and Privates E. W. Young, C. L. Strickland and W. F. Beasley were honorably discharged June 8. The Co. regrets very much losing these men as they have been a great help during their time of enlistment.

Sergeant Watkins and Privates Beasley and Strickland will probably not re-enlist as they have moved out of this community and Mr. Young would be detained from business by the summer encampment, but Sergeant Preddy's application for re-enlistment is expected any time.

The Radiophone which is to be installed in the club room of the Army arrived Saturday and preparations for installing were begun immediately. Sergeant Furgerson came Monday to oversee the work and everything is progressing nicely. The phone will be in operation Saturday at drill time and all members are expected to be present and join the fun.

Beginning the first Saturday in July perfect drill attendance will be compulsory as everything must be in first class condition before starting to camp. Every one wishing to join the outfit in time to enjoy this summer vacation trip is requested to do so before July 1, as the recruiting office will be closed then until August 23.

Petersburg Resident Also Says She Suffered Terribly From Disordered Stomach But Tanlac Completely Overcame All Her Troubles.

"Tanlac has been such a blessing to me I can't help singing its praises," said Mrs. T. J. Archer, highly esteemed resident of 1147 Shepard St., Petersburg, Va.

"I had in digestion so bad I couldn't eat a thing without being in misery for hours, and the pain around my heart caused by the gas seemed all I could stand. I constantly had headaches and awful spells of dizziness. Then to make matters worse rheumatism in my arms, shoulders and knees almost drove me to distraction, and for three months I couldn't do a stroke of work."

"I had just about decided it was no use to take any more medicine when my husband brought me a bottle of Tanlac. Now I never have a touch of indigestion. Headaches and dizzy spells are a thing of the past, and rheumatism has left me entirely. I never have known a medicine to equal Tanlac."

Tanlac is sold by all good druggists. Adv.

THE LEADER FOR SOLICITOR Seventh Judicial District TO THE VOTERS OF FRANKLIN COUNTY: I want to thank those of you who saw fit to support me in the first primary, and to ask a renewal of your favors in the second. To those of you who did not vote for me in the first primary I ask your consideration in the second. My opponent has tried to make capital out of the fact that I made a speech in Louisburg before the first primary; but when you understand that I did all I did do openly and publicly instead of by hired workers riding the roads, you will appreciate the difference. Very sincerely, W. F. EVANS.
