THE WATCH WITH A Shock Absorber

The ordinary wrist watch is merely a pocket watch reduced in size and with no provision to counteract the varying conditions of being worn on the wrist the delicate mechanism of a wrist watch never was intended to be subjected to innumerable shocks and varied motions of the arm.

We have the watch with a shock absorber which is made especially for wearing on the wrist. They stand hard bumps and knocks. This watch is guaranteed for 3 years. We sincerely hope customers will take advantage of this service and get out of the bracelet watch trouble. For sale by
