### Soft Water Saves Soap

Red Seal Lye is an excellent water softener and a wonderful cleanser.

Washing clothes in hard water is a waste of time and soap. Clothes cannot be thoroughly cleaned in hard water. The water must first be softened. If you would have your clothes snowy white, clean and sweet smelling, add one teaspoonful of Red Seal Lye to every three gallons of washing water. This is true soap economy.

Another great saving may be realized by making your own soap with Red Seal Lye. One large can of Red Seal Lye will make twenty cakes of pure soap, at a cost of less than one cent per cake. Mix according to the directions in the can.

If you prefer washing fluid, one can of Red Seal Lye will make enough fluid for thirty-two wash boilers of clothes. This goes further than anything else for washing purposes.

Many other uses of Red Seal Lye are mentioned on the direction sheet in the can. If the drain runs slowly, sprinkle a little Red Seal Lye down it and watch how quickly it frees the pipes. Red Seal Lye is a powerful disinfectant. It kills germs and does away with unpleasant odors.

The Red Seal Booklet explains many household uses with recipes. Be sure and ask your dealer for the reliable granulated Red Seal Lye, and take no substitute. Send us a postal and we will mail you the Red Seal Booklet free of charge. Write today.

### The Average Person Can Save Money

The average person can save money by keeping well the chiropractic way. The usual method, based on past knowledge of curative effort, has been to resort to drugs. This gives temporary relief at the expense of distributing the stomach and intestinal tract, but does not remove the cause of the disease, which is disturbance of normal transmission of mental impulses over spinal nerve lines.

By taking the chiropractic way to health, the sufferer avoids experimenting and goes straight to the cause. Nearly every case of chronic disease corrected by chiropractic has a history of having expended hundreds of dollars in fees and lost time before coming to the chiropractor, only to find that he had the key to the correction of their trouble all the time. Chiropractic spinal adjustments remove the cause of disease in ailments of the eyes, ears, nose, throat, lungs, heart, stomach, liver, kidneys, bowels and lower organs.
