DEATH TO GERMS

Here is the best way to keep your house free from disease

Few people realize the germ danger lurking in unsanitary sinks, drains, closet bowls and traps. Kitchen and bathroom floors, too, are ideal breeding places for

Red Seal Lye keeps these places clean and sanitary. It kills all germ life and prevents germs from spreading.

The surest way to thoroughly cleanse and disinfect the bathroom floor is to scrub it with a solution of Red Seal Lye. Cleaning the toilet is also a simple matter. Sift a little Red Seal Lye into the bowl, allow it to dissolve and flush. The result is perfect sanitation.

Red Seal Lye prevents pipes from clogging. It keeps drains open and free-running. Use either in powder or solution, at frequent intervals, at least once a week.

Twenty half-pound cakes of pure soap may be made with one can of Red Seal Lye and five and one half gounds of waste grease. The directions are in the can.

Red Seal Lye is absolutely pure and unadulterated. Red Seal Lye far excels cheap brands. Ask your dealer for Red Seal Lye and take no substitute. Send us a postal for the Red Seal Booklet which will be mailed you free. Write today.
