Similar Cases—Being Published in Each Issue.

The following case is but one of many occurring daily in Louisburg. It is an easy matter to verify it. You cannot ask for better proof.

L. W. Parrish, Jeweler, Court House Square, Louisburg, says: "I have used Doan's Kidney Pills on different occasions and found them excellent. I believe the constant sitting at my work strained my kidneys and caused them to act too freely. I found it necessary to get up occasionally at night to pass the kidney secretions. Mornings I had a hurting in the small of my back, which bothered me until I stirred around a bit. I bought Doan's Kidney Pills at the Aycock Drug Co., and they quickly rid me of the trouble."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Parrish had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

WOODROW WILSON WRITES TO SENATOR SIMMONS

Woodrow Wilson, hearing of the illness of Senator Simmons has written him a most cordial and sympathetic letter.

Mr. Wilson said: "I am grieved to learn that you have not been well and I beg that you will take the most assiduous care of yourself now that you know your strength is not without limit."

"The close association I have been privileged to have with you has, permit me to say, made me admire your character and abilities alike as a party colleague and as a personal friend."

"I hope and believe that many years lie before you in which you can continue to be highly useful to your party and your country, and I trust that the approaching vacation will afford you an abundant opportunity to seek and obtain necessary rest and strength of which you stand in need."

"This little letter is just a heartfelt expression of sympathy and personal esteem."

"I hope that at the next session of Congress I shall see you in full health and vigor again when affairs will once again stand in need of the best guidance and devotion we can devote to them as party colleagues and patriots."

Please, my dear Senator, accept my assurance of warm regards and think of me always as

Your sincere friend,
(Signed) Woodrow Wilson."

The Profitable Way to Keep Hens

Only One Feed to Buy

Many people claim that it costs more to feed poultry than they return in meat and eggs. This is largely due to the use of an unbalanced feed. Grains and scratch feeds made from grains are not a balanced feed.

No flock, large or small, will ever pay a profit on an unbalanced feed. While on a balanced feed, which costs but little more, the same fowls will furnish enough eggs and meat to liberally reward their owners.

Using two different feeds—one a scratch made of grains—the other a mash of concentrates, was the usual way of balancing the rations, but it is too troublesome for the average person. It doesn't balance the ration for every hen, consequently it is used by only a few. The two-in-one method, a mash and scratch all in one, a feed that can be fed like wheat or corn, is the real solution for the average man. Gubernut Laying Feed is just such a feed—a perfectly balanced feed. Many users call it a real discovery. The longer you use it, the better you like it—those who have fed it constantly for a year or more are its greatest boosters. Ask the person who has fed it, or order a sack—and be convinced. Money back if not satisfied.
