

It makes no difference what accommodation you may seek here, if it is in our line, you will be served to your ultimate satisfaction.

We will cash your checks as gladly as accept your funds for deposit, offer freely any advice we are qualified to give, will serve you in any way a Bank can serve.

Don't hesitate to ask a favor here just because you are not a customer of this Bank.

We are here to serve and we welcome each opportunity to do it.

### COX IS ELATED OVER BIG GAIN

Declares Tanlac Ended Stomach Trouble And Built Up 25 Pounds

M. E. Cox, of Hapeville, Ga., valued employee of a large Oakland City manufacturing concern, is still another who declares he has found the Tanlac treatment a safe and sure road to health, strength and working efficiency. In telling his experience he said recently:

"For three years I suffered from stomach trouble and was in an awful run-down condition. I had indigestion so bad I could not eat anything but what it caused the worst of pains in my stomach. My nerves were all undone, and altogether I got no rest day or night, and could do no work. When I started on Tanlac I weighed a hundred and twenty pounds, but now I tip the scales at a hundred and forty-five, a gain of twenty-five pounds. After taking seven bottles of Tanlac I am sound and well, working steady every day, and am glad to make a statement for the good it might do others.

Tanlac is for sale by all good druggists. Take no substitute. Over 35 million bottles sold. Adv

### USE CHINESE DOCTRINE ON SWEET POTATOES

Raleigh, March 6—Back rot, scurf and other diseases of the sweet potato may be prevented by dipping the roots in a solution of corrosive sublimate before bedding, says G. W. Fant, extension worker in plant diseases for the State College and Department of Agriculture. Mr. Fant shows that this preventative measure is of great value in increasing the quality of potatoes produced and should be followed as faithfully as the Celestials of China practice their doctrine of preventative medicine.

Seed sweet potatoes can be sterilized by using four ounces of the sublimate to 30 gallons of water and the roots allowed to stand in the solution from eight to ten minutes. They are then allowed to dry. Clean sand, never used before for bedding and containing no refuse from previous crops, is recommended by Mr. Fant for use as bedding. He states that potatoes so treated are fit for bedding only as the poison is absorbed by the skin of the root and therefore cannot be used for food.

Care must be taken with the corrosive sublimate as it is a violent poison both to animals and humans. The solution in which it is used also grows weaker as the potatoes are dipped and must be renewed for large amounts. The quantity of seed to treat will determine the amount needed to be made up and the seed should be treated immediately before bedding. The poison corrodes metal and so wooden barrels should be used for holding the solution. These recommendations are made by Mr. Fant to help the Tarheel farmer make more money on his sweet potato crop this year.

Unsprayed fruit was 40 per cent wormy; sprayed fruit was nine per cent wormy according to tests made in the sandhills last year by the North Carolina Experiment Station.

With things so high, the farmer who puts out a good garden for this summer is likely to be well repaid, even though he may sell nothing from it.

Tchitcherin says Russia is standing on her dignity, which may be why she doesn't measure up.

### In Training for The Season.

The Fort. Worth Girls' Baseball Team is practicing already for the coming season. The club gave a good account of itself last year and experts say some, at least, of its members are capable of performing creditably on any diamond. Shown here is Miss Evelyn Singleton, at bat.

**No Worms in a Healthy Child**  
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or displace the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

# FOR SALE

## Fifty Head Horses and Mules

One car load Western North Carolina Mules, all well broke ready for work. Will sell them cheap for Cash or on time. Come look them over before you buy. I will save you money if you buy from me.
