Victor Agency
 In Louisburg

We wish to announce to the people of Franklin County that we have secured the agency for the famous VICTROLA and records and have just received a big shipment of both that we now have on display.

In selecting a talking machine for use in your home it is worth much to know that when you choose a Victrola your judgment is sustained by the technical opinion of many great artists who have chosen the Victor to perpetuate their art. The word Victrola is a trade mark, used specifically to designate products of the Victor Talking Machine Co.
