Luke Kelly Says, "The Rat Died Before Reaching the River"
"Since moving near the river 2 years ago, we've always used RAT-SNAP. Watched a vicious water rat, nibbling at RAT-SNAP outside the house. About 15 minutes later he darted off for the water, to cool his burning stomach, but he died before reaching it." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Cash Grocery and Market.

The ancient headline is kept standing in every well regulated printing office. Europe is on the Verge of War."

Apparently the first thing any European country thinks about, when it gets into trouble, is an appeal to Uncle Sam.

BE RID OF THAT ACHE

If you are a sufferer with lame back, backache, dizziness, nervousness and kidney disorders, why don't you try the remedy that your own neighbors recommend? Ask your neighbor!

Mrs. D. C. High, Nash St., Louisburg, says: "I was nearly down with my back and at times I could hardly get around my back pained so. I read about the good Doan's Kidney Pills were doing for others, so I procured a supply at Scoggin's Drug Store. About six boxes of Doan's cured me and my back has never felt lame since. I can recommend Doan's highly."

The above statement was given June 24, 1918, and on Dec. 17, 1921, Mrs. High added: "Whenever I have the least sign of kidney disorder I resort to Doan's Kidney Pills and always with the same benefit. I gladly confirm my former statement."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. High had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

He thinks he is a grouch because he has no friends, but as a matter of fact he has no friends because he is a grouch.

The Profitable Way to Keep Hens

Only One Feed to Buy

Many people claim that it costs more to feed poultry than they return in meat and eggs. This is largely due to the use of an unbalanced feed. Grains and scratch feeds made from grains are not a balanced feed.

No flock, large or small, will ever pay a profit on an unbalanced feed. While on a balanced feed, which costs but little more, the same fowls will furnish enough eggs and meat to liberally reward their owners.

Using two different feeds—one a scratch made of grains—the other a mash of concentrates, was the usual way of balancing the rations, but it is too troublesome for the average person. It doesn't balance the ration for every hen, consequently it is used by only a few. The two-in-one method, a mash and scratch all in one, a feed that can be fed like wheat or corn, is the real solution for the average man. Gubernut Laying Feed is just such a feed—a perfectly balanced feed. Many users call it a real discovery. The longer you use it, the better you like it—those who have fed it constantly for a year or more are its greatest boosters. Ask the person who has fed it, or order a sack and be convinced. Money back if not satisfied. Gubernut Laying Feed for sale by McKinn Brothers, Louisburg, N. C.
