**An Act to Aid Needy Orphan Children in the Homes of Worthy Mothers**

The General Assembly of North Carolina do enact:

Section 1. That the board of county commissioners of the several counties of the State are hereby authorized, in their discretion, to make an allowance to any eligible mother (as hereinafter explained and defined) for her support, where she is left with a child or children under fourteen years of age, under the conditions hereinafter set forth.

Sec. 2. That the county board of charities and public welfare of any county, after investigation by the county superintendent of welfare, may determine what amount within the provisions of this act is advisable for the care of a child or children, and shall recommend to the board of county commissioners that an appropriation be made for the support of such mother and child or children under fourteen years of age.

Sec. 3. That the maximum amount to be allowed per month under this act shall not exceed fifteen dollars for one child, ten dollars additional for the second child, and five dollars additional for the third child, or any excess of three; Provided, the total amount shall not exceed forty dollars, except in extraordinary circumstances in which it appears to the satisfaction of the board of county commissioners that a total of forty dollars per month would be insufficient to secure the purposes above set forth.

Sec. 4. That to be eligible to apply for mother's aid a woman must be the mother of a child or children under fourteen of age, a resident of the State of North Carolina for three years, and a resident of the county for one year preceding, and possessed of sufficient mental, moral, and physical fitness to be capable of maintaining a home for herself and child or children and prevented only from lack of means. Such person must be either a widow, or divorced, or deserted. If it be found impossible to require the husband to support her, or the husband is found to be mentally or physically incapacitated to support his family, or if the husband be confined in jail and assigned to work the roads of any county or in any penal or eleemosynary institution, provided no relative is able and willing to undertake sufficient aid: Provided, that if the mother is given partial aid or assistance by any relative or charitable organization, the board of county commissioners, in their discretion, may make allowance to such mother to help out the same where it may be necessary, in their opinion and judgment.

Sec. 5. That any board of county commissioners taking advantage of the provisions of this statute may require that the report of the investigation of the county superintendent of welfare in every case shall be presented to and approved by the judge of the juvenile court in that county before making an appropriation.

Sec. 6. That the State Board of Charities and Public Welfare shall have general oversight of the administration of this act with the view to making it uniform throughout the State; shall furnish all necessary blanks and give such advice and help as it can in order to aid in efficiently securing its purpose. The county superintendent of public welfare shall make his report on any case to the board of county commissioners in duplicate, one copy of which shall be forwarded at once, with the action of the board of county commissioners endorsed thereon, to the State Board of Charities and Public Welfare and one filed by the board of county commissioners with its records in the case. The State Board of Charities and Public Welfare shall at once notify the board of county commissioners its approval or disapproval for reimbursement as provided in section eight of this act, and the said board may suggest additional requirements for the consideration of the board of county commissioners.

Sec. 7. That after investigation by the county welfare officer, when the board of county commissioners shall adjudge that a mother is entitled to aid under this act, said board of county commissioners shall determine the monthly amount that the board of county commissioners may allow and order its treasurer in writing to pay said amount to the person designated by it and continue the same monthly until the order be changed or the expiration of the time for which

the order is limited.

Sec. 8. That at the end of each fiscal quarter the treasurer of the county wherein aid has been granted shall furnish an itemized statement in each case of amounts paid, duly certified by him under oath, to the State Board of Charities and Public Welfare. If each case thereon shall have been approved by the State Board of Charities and Public Welfare and all required regulations of this act shall have been fulfilled, the State Board of Charities and Public Welfare shall certify the account to the State Treasurer, whereupon the State Treasurer shall immediately make out and forward to such county treasurer his voucher for one-half of the total amount certified as having actually been paid out by the county. Such voucher shall be made out against any fund in the treasurer not otherwise appropriated: Provided, the total amount for the State shall not exceed a maximum of fifty thousand dollars (\$50,000) per year, to be apportioned among all the counties on a per capita basis: Provided, that the proportionate share of any county not availing itself as above provided by this act shall remain in the hands of the State Treasurer until otherwise appropriated.

Sec. 9. That all laws and clauses of laws in conflict with the provisions of this act are hereby repealed.

Sec. 10. That this act shall be in force from and after its ratification. Ratified this the 26th day of February, A. D. 1923.
