STOCK EXEMPTION

Hon. W. M. Person of Franklin County has secured a restraining order from Judge N. A. Stinclare restraining the State Tax Commissioner, Hon. R. A. Doughton, from complying with the provisions of the Act of the recent General Assembly exempting foreign stocks from taxation.

Mr. Person is relying on Article V, Section 3 of the Constitution which says: "Laws shall be passed, taxing by a uniform rule, all monies, credits, investments in bonds, stocks, joint stock companies or otherwise; and, also, all real and personal property according to its true value in money."

It seems to us that the General Assembly made a serious mistake in exempting foreign stocks. It is not alone a loss to the State of present revenue, but the loss to the state of the selfish wealth which should remain here and build up our industries.

Under the old law there was no inducement for this money to be invested in stocks in other States, for the State of North Carolina taxed the stock; but under the law which Mr. Person is now contesting in the Courts any citizen may invest North Carolina wealth in foreign territory, build up other States at the expense of North Carolina and throw the additional burden of taxation upon those who live among us and aid in building our own industries.

Mr. Person is right. We believe that the Courts will sustain his contention that foreign stocks must be

CROWDER MAKES 20 POUND GAIN

Declares He Would Not Take \$1,000 for Good Tanlac Did Him

"For twenty-five years" said D. F. Crowder, a well-known merchant, of Lawdale, N. C., "I suffered from the worst sort of stomach trouble and got so run down, nervous and worried I thought I would never get well. My appetite was completely gone, I was sick at the stomach much of the time, and nearly everything I would eat hurt me. I finally got so weak I could hardly get around and life was a burden to me. I had lost faith in all medicines, but I am thankful a thousand over that I gave Tanlac a trial. I felt my strength returning by the time I had finished the first bottle, for I could pick up a two bushel sack of anything and walk right off with it. So I kept taking Tanlac and getting better and have gained twenty pounds. Now all my stomach trouble is gone, my nerves are steady as a clock, my appetite fine and I am brimful of a new life and energy. I would not take a thousand dollars for the good Tanlac has done me. It is impossible for me to recommend it to highly, for it has made a new man of me."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.
