#### Mass Meeting In The Court House

(Contributed)

Pursuant to a call about 375 people of the Town met in the Court House on last Monday night for the purpose of discussing the conditions of the affairs of the Town of Louishurg.

The expressions of this gathering

were made in a dignified manner, no personalities, no "mud slinging" but the earnestness of all present was very evident and those present spoke and thought in no uncertain terms that demanded and proposed to have and give the people of this Town a Meet Again on Next Tuesday fair square deal as to whom they would vote for, for Mayor and Commissioners. Determination and resolve was written on nearly every face, that they intended to change the present Town Government

chair and in a ringing, stirring ap-peal explained the objects of the meeting. Messrs. M. S. Davis, H. C. Tay-lor, W. B. Morton, J. L. Palmer, S. A. Newell and others made short force ful talks. There were present a good many ladies who were called upon but none responded waiting to express their views at the Polls. There was an overwhelming opinion that the This action seemed to satisfy the opposition and very little has been not fair to the people only giving said about the past or future meeting about two or three days in which to select a Ticket. This was from all appearances taking "Snap Judgment" and running the Primary with little or no notice, not giving the people any time for deliberation to discuss the matter, as they thought it should have been as was the custom heretofore to give ample time in which to select a ticket to be voted on. A committee was appointed to meet and submit a list of names to the Mass Meeting on Tuesday night next, from which there would be selected a Mayor and Town Commissioners to be voted on at the Election to be held in May, which ticket will be pledged to Lower Taxes, Economic Administration of Town government a retrenchment in expenditures. A committee was appointed to look into the Laws as to a City Manager and report Tuesday night next. Harmony and good feeling prevalled during the entire meeting and The people of this town think they have a right to select their Town Tick ct. as they have, but wish a free open discussion of the matter. Let all who are interested come out Tuesday night and take part in the proceedings.
