**Aching burning feet? MENTHOLATUM relieves and refreshes.**

2278 farmers of North Carolina have signed the pledge to "Live at Home" this year. What a difference would be found in the prosperity of this State if every farmer would do the same. Say extension workers of the State College and State Department of Agriculture.

## Weak Back

Mrs. Mildred Pipkin, of R. F. D. 8, Columbia, Tenn., says: "My experience with Cardui has covered a number of years. Fifteen years ago... I got down with weak back. I was run-down and so weak and nervous I had to stay in bed. I read of

and sent for it. I took only one bottle at that time, and it helped me; seemed to strengthen and build me right up. So that is how I first knew of Cardui. After that, ... when I began to get weak and 'no account', I sent right for Cardui, and it never failed to help me."

If you are weak and suffering from womanly ailments, Cardui may be just what you need. Take Cardui. It has helped thousands, and ought to help you.

## DOES YOUR BACK ACHE?

It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this Louisville testimonial.

H. P. Cranford, garage foreman, Church St., says: "Last winter I had a terrible time with my kidneys. For long spells my kidneys failed to act at all and when I was able to pass the secretions they were highly colored and burned in passage. My back nearly killed me with pain and I couldn't turn in bed without a knife-like pain stabbing through my kidneys. It was almost impossible to bend and I certainly was in misery. Mornings my back was as sore as a boil and so stiff I couldn't stoop to put on my shoes. I doctored, but didn't get satisfactory results. Doan's Kidney Pills gave me more benefit than any medicine I had taken. I haven't had a spell with my kidneys since."

Where the county agent is employed there gradually comes over the county a mental change as found by County Agent J. R. Sams of Polk County who sees his cooperators now during the summer burn grasses, purchase pastures and livestock in place of and crops of cotton and corn.
