HAD SURPRISE OF HER WHOLE LIFE

Mrs. Manning, Enjoying
Health and Strength
She Never Expected,
Thanks Tanlac.

"My stubborn case of stomach trouble is completely gone, but if I had not taken Tanlac when I did I believe I would have become a nervous wreck", recently affirmed Mrs. Laura Manning, Osceola Mills, Gastonia, N. C.

"For about ten years, I had drifted along from bad to worse, and finally reached the point where I could hardly get about. Every bite I ate hurt me. Gas would form on my stomach, and my heart palpitated until it alarmed me. I was so nervous the children playing around the house almost distracted me, and I simply felt miserable all the time.

"I improved so quickly when I got Tanlac that it was the surprise of my life. I have only been taking the treatment for a few weeks now, but already it has me feeling fine in every way. Tanlac certainly is the right medicine for troubles like I had."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.

Schloss News

As we have not seen anything from Schloss in a long time, will try to write and let the folks know we are not dead yet.

The farmers are about up with their work owing to the dry weather. Mr. and Mrs. J. K. Brewer, Miss Lita Harris and Mr. Sam Harris visited Justice Sunday.

The fight for our high school is on now and some of us are so eager to see this thing through that they get nervous. And my way of thinking it is enough to make us even shudder when we think of the greatest opportunity that has ever confronted us to do the biggest and best thing we ever did for our children. To even consider the slightest thought of losing it is ridiculous. But we people believe with all our hearts, that we are going to carry it overwhelmingly. For it is a hard thing to look the bright boys and girls in the face and say by their action on June 23rd (the voting day) that they are going to deny them an opportunity to get an education. We don't believe that we have any around Schloss that is going to say that by their actions on June 23rd.

Miss Alma Ball, of Greensboro, who has been spending the past week with her sister, Mrs. Annie Burnette, returned Tuesday of this week to resume her studies at the N. C. College for Women.

The State Board of Health is offering us a great opportunity to have our children's tonsils and adenoids removed at a greatly reduced price. Everybody who has children that are suffering from one or both of these troubles should not hesitate to get in touch with the authorities at the earliest possible moment.

Messrs. J. K. Brewer and Otho Tucker have been on the sick list for the past week. Glad to say they are improving.

Mr. E. H. Malone, of Louisburg, visited Schloss Sunday afternoon. We are always glad to have Mr. Malone, as he is always full of good spirits and we love him like a brother.

er. Well, if this escapes the waste basket will call again, but would much rather that "Jack Sparrow" come back as he was once our regular correspondent. Jay Cay Bee.

Handy information about producing clean cream of quality is contained in John Arey's new folder which has just been received from the printer. Ask the Agricultural Extension Service at Raleigh for a copy of F. 13.

Did you know that bees may be developed into a profitable side line on the average North Carolina farm. C. L. Sams, Extension beekeeper for the State College and Department of Agriculture, will tell you about it if you will write him.

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 80c per bottle.
