HOME BUILDINGS SAFEGUARDS AMERICA

With lumber in the local market an easy 30 per cent less than it was three years ago, there is no reason why those who have been contemplating building should not now go ahead. Every man who becomes a home owner automatically becomes a good citizen. With each added home, the safety of the republic is promoted. Let the good work go on.—Argus Leader, Sioux Fall, So. Dak.

BOSTON WOMAN RECOMMENDING IT TO HER FRIENDS

Popular Boston Lady Says Prunitone Has Proven A Godsend to Her

It is always interesting to listen to the statements of our friends, and especially when you know they are sincere and honest in what they say. Added interest is created in a statement coming from one, who has spent a lifetime in Boston, where she is well known socially.

Such a person is Annie Stewart, who resides in Boston and is possessed of the respect and confidence of her associates, and is willing for anyone to call on her to verify the following signed testimonial.

"I have suffered with stomach trouble for the past seven years. It took the form of indigestion and dyspepsia. I had dizzy spells and headaches, and after I ate a little food it would ferment and cause gas to form in my stomach. I had pains all over my body and was chronically constipated. My liver was torpid and I felt miserable. I had doctored and had been in the hospital, but received no permanent relief. I was so nervous and restless that at night I could scarcely sleep. The gas, pressing under my heart, caused palpitation, and when I arose in the morning I was just as tired as when I retired. About two weeks ago I began to take Prunitone, and I can truthfully state that it has done wonders in my case. I am feeling like a new woman, and can eat any kind of food. I sleep the night through and have no more aches or pains; in fact, it has cured me, and I am recommending it to all my friends, as it has been a Godsend to me."

L. E. Scoggin seal and guarantee Prunitone.
There are numerous symptoms of this trouble that Prunitone can relieve. In fact, any of the following may denote affections of the stomach: indigestion, dyspepsia, belching of wind, bad breath, sick throbbing headache, poor circulation, night sweats, that tired feeling, costiveness, coated tongue or a poor complexion.

Caution: As Prunitone is recommended as a flesh builder, those not wishing to increase their weight 15 pounds or more, should not take it continuously.
