Weak Back

Mrs. Mildred Pippin, of
R. F. D. 8, Columbia, Tenn.,
says: "My experience with
Cardul has covered a number of
years. Nineteen years ago...
I got down with weak back. I
was run-down and so weak and
nervous I had to stay in bed.
I read of

CARDUI

The Woman's Tonic

and sent for it. I took only one
bottle at that time, and it helped
me; seemed to strengthen and
build me right up. So that is
how I first knew of Cardui.
After that... when I began to
get weak and 'no account', I
sent right for Cardui, and it
never failed to help me."
If you are weak and suffering
from womanly ailments, Cardui
may be just what you need.
Take Cardui. It has helped
thousands, and ought to help
you.

No Worms in a healthy Child

All children troubled with Worms have an un-
healthy color, which indicates poor blood, and as a
rule, there is more or less stomach disturbance.
GROVE'S TASTELESS CHILL TONIC given regularly
for two or three weeks will enrich the blood, im-
prove the digestion, and act as a General Strength-
ening Tonic to the whole system. Nature will then
throw off or dispel the worms, and the Child will be
in perfect health. Pleasant to take. 50c per bottle.

THAT DULL ACHING

Don't worry and complain about a
bad back. Get rid of it! For weak
kidneys, lame and aching backs, your
neighbors recommend Doan's Kid-
ney Pills. Ask your neighbor!
Mrs. C. G. Oakley, Louisburg, says:
"My back gave me trouble and morn-
ings there was a steady, dull misery
through my kidneys, which bothered
me more as the day wore on. The
dull pains across my back tired me
out easily; it felt like a weight tied
about my waist pulling me down.
Nervous, dull headaches were com-
mon and when I straightened after
stooping, dark specks appeared be-
fore my eyes. On reading about
Doan's Kidney Pills I decided to try
them. The first box relieved me and
I kept on with Doan's until I was
entirely rid of the trouble. I have
had no return of it."
Price 50c, at all dealers. Don't
simply ask for a kidney remedy—get
Doan's Kidney Pills—the same that

A little thing like a ditch properly
surveyed and graded meant an im-
provement worth several thousand
dollars to one eastern Carolina farm-
er. This farmer had been troubled
with water on his land for several
years and wanted to pay the county
agent for the help given when the
ditch was seen to work properly.
