 THE AMERICAN PRESS ASSOCIATION

Entered at the Post Office at Louis-  
 burg, N. C., as second class matter.

It is stated that Marion Butler may  
 have the Mexico Ambassadorship of  
 he wants it. We are sorry for Mexi-  
 co.

The Business Men's Association of  
 Louisburg should now take up the  
 question of having some kind of busi-  
 ness established in Louisburg, that  
 will engage a number of employees,  
 thereby creating a pay roll.

Mr. A. J. Maxwell, who forced the  
 issue and won out in the States \$5,-  
 000,000 deficit, has been suggested as  
 a candidate for Governor. No doubt  
 he would make a very acceptable  
 candidate to a large number of vot-  
 ers who do not want to vote for either  
 of the other candidates.

It will probably be interesting to  
 many to know how Franklin County  
 compares with its adjoining counties  
 in the matter of school taxes per cap-  
 ita. Figures recently given out by the  
 Weekly News Letter shows the fol-  
 lowing per capita cost in each  
 county: Wilson \$12.90; Wake \$5.97;  
 Vance \$5.91; Halifax \$5.63; Nash  
 \$5.38; Granville \$4.50; Warren \$4.43;  
 Franklin's per capita cost is \$4.26,  
 and it occupies 37th position among  
 the counties in the State.

We see no real need of the State  
 Highway spending a cent on the first  
 five miles of road between Louisburg  
 and Franklin unless they expect to  
 build a road. It has been rumored  
 that they would only construct a  
 gravel road on this project. If so  
 they cannot make a better one than  
 we have and the saving in distance  
 would not justify the building a new  
 road. However from Mitchiners to  
 Franklin the elimination of the  
 railroad crossings and a few long  
 curves might justify a new road on  
 that portion. Even then it must not  
 be expected to get a better road led.  
 The State Highway Commission can  
 do of great service in Franklin by  
 leaving the first five or six miles of  
 this project stay as it is and putting  
 this mileage in another direction. For  
 instance taking over five miles or  
 more of the Halifax road and making  
 connection with the State Highway at  
 Centreville.

**WOOD ITEMS**

Miss Irene Gupton has returned  
 from Trinity College, where she at-  
 tended the summer session.

Mr. Thomas Parker, of Branchville,  
 Va., is spending a few days with re-  
 latives, Mr. and Mrs. M. F. Parker.

Mr. Sturgees Collins and Miss Bes-  
 sie Lou Collins, of Middleburg, were  
 visitors of Mr. and Mrs. Philip Stur-  
 gess last week.

Messrs. W. D. Fuller and G. M.  
 Raynor spent last Tuesday in Raleigh  
 on business.

Mrs. Bunnie Hicks and daughters,  
 Misses Lillie and Maggie, of Rocky  
 Mount, are spending several days with  
 Mr. and Mrs. Hardy Gupton and fam-  
 ily.

The B. Y. P. U. under the able di-  
 rection of Miss Neva Harper present-  
 ed a pageant in the Baptist church in  
 Castalia last Saturday night and in  
 the church in Wood Sunday night.

Mrs. W. D. Fuller spent the week-  
 end with her sister, Mrs. Daniel, near  
 Oxford.

Mr. Sprull Upchurch, of Nashville,  
 spent several days last week with  
 friends.

Mr. Loyd Teague was a pleasant  
 visitor among his old friends last  
 week.

Mr. Norman Smith has accepted a  
 responsible position with C. G. Wood  
 and Co.

Miss Elizabeth and Masters Austin  
 and Edgar Fuller spent the week-end  
 with relatives near Milton.

Miss Mary Ball, of Weldon, is spend-  
 ing several days with her people  
 here.

Miss Neva Harper returned to Cas-  
 talia Monday, where she is visiting  
 relatives.

Mrs. H. B. Griffin and children, and  
 Miss Alcock were guests of Mr. and  
 Mrs. J. S. Shearin last week.

Quite a number of our people at-  
 tended and enjoyed the series of meet-  
 ings last week at Centreville and  
 White Level.

Mr. and Mrs. W. P. Leonard have  
 moved to their home near here.

Mr. Kenneth Ayscue is spending  
 some time with relatives here.

Miss Eugenia Boone, of Castalia,  
 was a most pleasant visitor Sunday.

Mr. and Mrs. Philip Sturgees and  
 family have made Wood their home.

Permit me to say a few things con-  
 cerning the series of meetings which  
 has just closed here. When we look  
 over the results we wonder what has  
 been the direct cause of such a man-  
 ifestation of interest. There must be  
 several things for it cannot be any  
 one single factor. It above all was  
 the work of some power greater than  
 man. Yet there are quite a number  
 of individuals inspired with the word  
 of God and faith in mankind worked  
 that the meeting should be a success,  
 that each and every one in the com-  
 munity should receive in some way a  
 blessing. The seed were sown during  
 the few years. Among them we can-  
 not forget the influence our teach-  
 ers have had over the community. Not  
 only do they build up our school and

make it one of the best in the State  
 but they entered into every phase of  
 community life, church, Sunday school  
 B. Y. P. U. and everything that was  
 uplifting and inspiring. We hate to  
 lose them this year for to them we  
 owe in gratitude more than we can  
 ever pay. Their work in regard to  
 the moulding of character and Chris-  
 tian training was well manifested in  
 this series of meetings. May the  
 communities that receive their efforts  
 for the years to come be as greatly  
 benefited as we have is our earnest  
 prayer.

To our pastor, The Little Preacher,  
 Rev. A. N. Corpening, the greater part  
 of the success is justly due, for it was  
 he who has reached every one in the  
 hope, in business, in pleasure, in sad-  
 ness and sickness, a true friend of  
 mankind, young, middle-aged and old  
 forgetting none. As a preacher it is  
 hardly necessary to say anything for  
 he is well known by your readers, yet  
 his sermons reached every one. They  
 were so that every one could take  
 them in, from the children to the  
 adults.

As an organizer he is hard to beat  
 since was evidenced by the B. Y. P. U.,  
 the Sunday school and the series  
 of meetings. The Little Preacher  
 leaves a place where he has done a  
 great work, work that will live for  
 many a year and a host of people who  
 love him as brother. To Fruitland  
 Institute we are giving a great asset  
 and our best wishes that she may be  
 as greatly blessed as we have been  
 during the stay of The Little Preach-  
 er here.

We cannot forget to mention the  
 music. Oh, it was soul-inspiring to  
 hear the Junior Choir. They sang  
 with whole heartedness, their very  
 souls in the music. They attended  
 each service and on two occasions  
 they had the opening exercises to  
 themselves, repeating verses of scrip-  
 ture, uttering sentence prayers, and  
 singing special pieces. Their num-  
 ber on these occasions were one hun-  
 dred and six.

The adult choir rendered its usual  
 service with uplifting and inspiring  
 music. Its number swelled on sev-  
 eral occasions to seventy-five. They  
 presented at practically every even-  
 ing service some special music.

On Saturday night, the last night  
 of the meeting your heart would have  
 been filled with joy—for that was one  
 of the greatest of all—Mothers and  
 Fathers' night. Altho it rained there  
 were many people out. Parents old  
 and gray, young and comely. The  
 music! They made the best of all.  
 The good old time songs that grand-  
 father and grandmother used to sing,  
 that mother and father used to throw  
 their souls into. It was a treat to  
 listen to them, for we realize that  
 they may never get together here  
 again in this life. Many of them had  
 dedicated their lives to Him when  
 quite young and had served Him faith-  
 fully since, have reared large families,  
 and who in turn have given their lives  
 to Him. Their paths have not been  
 easy for many are the times  
 have they almost given up in despair  
 but with their faces toward Him they  
 have striven on and on and will before  
 long meet their grand reward from  
 Him whom they have looked to for  
 life and succor. These grand old peo-  
 ple were inspirations to us. We hon-  
 or and love them. May He see fit to  
 let them enjoy and inspire us during  
 many another series of meetings.

On Sunday morning after baptizing  
 in which quite a number were bap-  
 tized the right hand of Fellowship  
 was extended to those united with  
 the church, numbering in all by letter  
 and baptism seventy. It was an im-  
 pressing and touching service, the  
 line extending down from one aisle  
 to the other and across in front of  
 the pulpit. In the line stood young,  
 middle-aged and old. Aged couples with  
 their children and grandchildren.  
 Middle-aged couples with their whole  
 families, young married couples,  
 young men and women, boys and girls.  
 And when a brother made a confe-  
 sion there were tears shed by many  
 who had not been known to show their  
 emotions in such a manner. This was  
 quite the most appropriate clim-  
 ax to the two weeks series of meet-  
 ings. Much good has come and will  
 result from them.

To recapitulate: First of all there  
 was a Supreme Power at work; Won-  
 derful seed were sown by our noble  
 teachers; Our pastor was inspired  
 with the Holy Spirit and worked un-  
 ceasingly; Our Church organizations,  
 Sunday school, B. Y. P. U. did their  
 part—the choir rendering service  
 unsurpassed, the leaders never try-  
 ing; And the co-operation of every  
 one, from the young to the old.

We ask the prayers of all that the  
 good that has been done during the  
 meetings may last forever and that  
 we may be made strong and wise  
 enough to increase and carry it on.

**A BIRTHDAY PARTY**

On August 1st little Miss Josephine  
 Strange celebrated her eighth birth-  
 day by entertaining a number of her  
 friends. In addition to the children,  
 several mothers and older people  
 were present to watch the children  
 enjoy themselves. The children played  
 out lots of ring games and other things.  
 They were then served lemonade from  
 a table out under the spreading tree  
 in the grove. After listening to sto-  
 ries told by the different children they  
 were then served ice cream and cake,  
 in the dining room which was decora-  
 ted with ferns and roses. The pres-  
 ents which Josephine received were  
 many and useful ones. Those present  
 were Mildred Fuller, Eugenia and  
 Leona May, Grace and Bland Pruitt,  
 Mary Francis Perry, Washington, D.  
 C., Cathrine Perry, Marie Perry, Pearl  
 Perry, Elizabeth Strange, Bertha  
 Sledge, Sallie Lou Sledge, Ruth Perry,  
 Rebecca Perry, Ernestine Perry,  
 Eva Terrell and George Perry.

**Canning Can't Kill Vitamins**

There is a remarkable thing about  
 the tomato as a food, whether we eat  
 them or can for future use.  
 Cooking doesn't kill the vitamins as  
 it does with some vegetables. That  
 is because the juice of the tomato con-  
 tains just the sort of acids that pre-  
 serve the mysterious force or sub-  
 stance of the vitamin.

Healthy boys and girls can be kept  
 healthy by eating plenty of tomatoes.  
 Sick folks are made better and led  
 back to health by eating tomatoes.

Physicians have long considered  
 the tomato helpful in various ills of  
 the human system. Some people re-  
 gard it as good in warning off rheu-  
 matism.

Any cook book of the scores in print  
 will tell many ways of serving the to-  
 mato as a food. Here are a few sug-  
 gestion.

In soup by itself or as the chief  
 vegetable ingredient.  
 Fried, stewed or otherwise cooked.  
 Hollowed out and used as a con-  
 tainer for salad.

A catsup made of tomatoes is one of  
 the standard table relishes.

Tomato sauces on meats of all  
 kinds.

Eat them raw, with salt or without.  
 Use oil or vinegar to the taste.

Canned tomatoes retain their life as  
 since fully and last the year around.  
 Can your surplus this year.

Babies are fed on tomato juice when  
 orange juice is not handy. Doctors  
 say that it is as good as orange juice.

Tomatoes have three kinds of vita-  
 mins necessary to human health.

Most vegetables have one or two,  
 but seldom all three.

Lack of these vitamins in the diet  
 means bad health. Both adults and  
 children need them.

Tomatoes have a good supply of vita-  
 min A, and are rich in vitamins B, and  
 C.

Vitamin A is a mysterious ele-  
 ment in food children cannot grow  
 without and grown folks also need.  
 Shortage of vitamin A leads to dis-  
 ease of the eye, skin, kidneys. It  
 may cause bad teeth, diarrhea, pel-  
 lagra and other ailments.

Vitamin B is a guardian of good di-  
 gestion and proper functioning of the  
 liver and other lands.

Vitamin C prevents disease and pro-  
 motes the general health. Lack of it  
 gives the skin a bad color and makes  
 heart weak.

**LEMON PIE**

1 cup boiling water, 1 cup sugar,  
 3 tablespoons corn starch, 2 table-  
 spoons butter, 3 eggs, 2 lemons.

Directions: Mix starch with a lit-  
 tle cold water, add the hot and boil  
 five minutes, remove from fire, add  
 sugar and butter well creamed to-  
 gether and mixed with yolks of eggs.

Add the juice and grated rinds of le-  
 mons, line pan with pastry one eighth  
 inch thick, prick the bottom of pas-  
 try and bake, when almost done fill  
 the pans to the depth of 3-4 inch with  
 the lemon filling and bake paste  
 nearly done, cover with a meringue  
 made of the whites of the eggs beat-  
 en stiff with table-spoon sugar. This  
 amount makes two pies.

Louisburg, N. C., Aug. 7, 1929.  
 Dear Club-Member:-  
 The Annual Encampment for club-  
 members this year will be held at Jus-  
 tice High School building, beginning  
 August the 20th. The first meal will  
 be Monday supper, (I am asking the  
 members to bring picnic supper) and  
 the last meal Friday breakfast Aug-  
 ust 24th.

The purpose of this Encampment  
 is to teach boys and girls the highest  
 standards—to inspire them to work  
 towards these standards—and to dis-  
 cover and train boys and girls for  
 leadership and to teach them the val-  
 ue of a short vacation.

The girls and boys at this camp  
 will be under the supervision of ca-  
 pable women and it is hoped that  
 parents will not keep children at home  
 fearing that they will not be properly  
 cared for.

We have planned the mornings for  
 instruction and the afternoons and  
 evenings for recreation and fun.

Below are suggestions which should  
 be followed as closely as possible.

Each person attending is supposed  
 to be an active club member, having  
 attended at least four meetings since  
 last August and should have done the  
 required work for a club member.

Persons attending should bring  
 with her (or him) all personal toilet  
 articles. She must bring her own  
 soap and towels, sheets, pillow  
 blanket, quilt or heavy spread. Tooth  
 brush and paste, and if she expects  
 to go in bathing, bring a bathing suit.  
 It will be more comfortable if a mid-  
 dy and bloomers are used for setting  
 up exercises and athletics.

For personal use campers should  
 bring a plate, cup, knife and fork,  
 spoon, bring inexpensive things.  
 Gingham dresses for the girls and  
 overalls for the boys will be all right,  
 we do not wish the boys and girls to  
 ruin their good clothes on this camp-  
 ing trip.

List of food to be carried: 2 doz.  
 Irish or sweet potatoes; 1 doz. apples  
 or peaches; 1 1/2 doz. fresh eggs;  
 1-2 lb. butter; 1 lb. lard; 1 can fruit;  
 1 lb. sugar; 1 gallon peas in shell; 1  
 cup rice; 1 gallon butter beans in  
 shell; 1 glass jelly, jam or preserves;  
 1 chicken (alive); 1 doz. tomatoes; 1  
 cake per family; 2 1-2 lbs. ham; 6  
 ears corn in shuck; 1 lb. bacon.

One dollar from each child to be  
 contributed to cover cost of bread, ice,  
 flavorings, etc.

It may seem to you that the list of  
 foods is more than would be neces-  
 sary but remember you will be in  
 camp nearly a week, and will probab-  
 ly have company to most meals. Please  
 put everything you can in paste-board  
 boxes.

If for any reason, you cannot pay  
 the dollar called for on the list do  
 not hesitate to say so, probably some  
 arrangement can be made. I do not  
 want any girl to stay at home because  
 she hasn't some article on the food  
 list, or the cash. All supplies must

**SOME HOT**

Although the average person will  
 not believe it, there has been hotter  
 weather here than on Tuesday of this  
 week. Tuesday the government ther-  
 mometer registered a maximum of 94  
 degrees. Monday registered 92 de-  
 grees. But on the twenty-eighth of  
 July the mercury climbed to 98. The  
 weather this week, however has been  
 more depressing. We are informed  
 that the average maximum tempera-  
 ture for the whole month of July was  
 89 degrees.
