N. C. COO-UPS OPEN MARKETS AUGUST 21

Tobacco Association Doubles Deliveries in a Week—Wins Legal Victory in South Carolina.

(S. D. Frissell) All of the Eastern North Carolina markets of the Tobacco Growers Cooperative Association will open for deliveries on Tuesday, Aug. 21.

The Association has already received close to 3,000,000 pounds of the South Carolina crop. Members of the Tobacco Cooperative are highly pleased with the large increase in first cash advances with which the markets opened this year.

The most important legal victory yet won by the Association in South Carolina was gained last Saturday, when Judge Shipp, in the Florence County Court, upheld the Association in all points and continued the injunction against V. M. Venters, a member of the Association and his adult son, who is a non-member, restraining them both from delivering their tobacco outside of the Cooperative Association.

Venters, who is a large tobacco planter of Florence County, claimed that he had rented his land to his son for five hundred dollars cash rent and the decision restraining their deliveries further strengthens the contention of the co-ops that all tobacco grown upon the lands of landlord members must be delivered to their own Association.

United States Circuit Judge C. A. Woods, of Marion, S. C., in a written statement last week, declared, "I have tried to influence all of my share croppers to join the Association. I believe that in the co-operative plan is the sole hope of the farmers for salvation from industrial depression and slavery. No act of mine shall retard its progress. On the contrary, I wish to promote it in every possible way. I have full confidence in the officers and directors of the Association and their attorneys and I shall follow their rulings."

Judge Woods protested against a newspaper advertisement by George Yarborough, Mullins warehouseman, in which Yarborough stated that two tenants of Judge Woods had sold a load of tobacco at an auction warehouse. Since this incident, Evans & Lambert, the tenants who were involved, have voluntarily agreed to deliver all the remainder of their share of the crop to the Association.

Among the cooperative rallies of this week was the big picnic of Beaufort County tobacco growers with whom Richard R. Patterson, Manager of the Association's Leaf Department, T. C. Watkins, Jr., Manager of the Association's Warehouses, and Congressman H. S. Ward were present. President George A. Norwood of the Tobacco Cooperative addressed the growers of Pender County on the same day, while in Western North Carolina Dr. J. Y. Joyner, Director of the Association from Lenoir County will meet the organized growers of Davidson, Randolph and Granville counties at Lexington, Ashboro, and Creedmoor on August 15, 16 and 18 respectively.

NEW WAREHOUSE MANAGER

Raleigh, August 14 1923—General Manager U. B. Blalock, of the North Carolina Cotton Growers Cooperative Association announces the appointment of D. D. Traywick of Charlotte as Warehouse manager for the association. Mr. Traywick is well and favorably known as a "cotton man" of highest standing and was for years connected with the C. B. Bryant, cotton merchant of Charlotte. Mr. Traywick has accepted the work and is on the job.

A club member of Craven County walked and run five miles to notify club members about the encampment when the mails were delayed. When the home agent came for them the children came barefooted and in their work clothes just as they left the fields, and the agent says, "You know I tried to make that meeting well worth while for those children."
