

Lazy Dollars

If a man could earn \$10 a day but stayed at home and refused to earn a cent, you would call him lazy and "good-for-nothing" wouldn't you? The law punishes certain people who refuse to work, but you are punishing yourself if you allow your dollars to remain idle when they could be earning interest in this good bank. We will give your dollars a position and a good salary. We put them to work for you.

New Ambition For Nervous People

The great nerve tonic that will put vigor, vim and vitality into nervous, tired out, all in, despondent people in a few days is the celebrated Prunivone. Anyone can buy a bottle. It is inexpensive and L. E. Scoggin is selling Prunivone in such large quantities, that it proves that it is a remedy of unusual merit.

Thousands praise it for general debility, nervous prostration, mental depression and unstrung nerves, caused by overindulgence in alcohol, tobacco, or overwork of any kind.

As a brain food or for any affliction of the nervous system Prunivone is unsurpassed, while for hysteria, trembling and neuralgia it is simply splendid. Mail orders filled for out of town customers.
