Inactive Liver

"I have had trouble with an inactive liver," wrote Mrs. S. Nichols, of 4412 Spencer St., Houston, Texas. "When I would get constipated, I would feel a light, dazy feeling in my head. To get up in the morning with a lightness in the head and a trembly feeling is often a sign that the stomach is out of order. For this I took Theford's Black-Draught, and without a doubt can say I have never found its equal in any liver medicine. It not only cleans the liver, but leaves you in such a good condition. I have used it a long time, when food does not seem to get well, or the stomach is a little sour."

How Thin People Obtain a Plump, Strong, Robust Body

"Before I took Prunitone people used to call me 'skinny' but now my name is changed. My whole body is stout. Have gained 15 lbs. and am gaining and watch it work. This test will tell you. I look like a new man," declared F. P. Smith, Pittsburg, Pa., who had just finished the Prunitone treatment.

Would you, too, like to quickly put from 10 to 30 lbs. of good solid "stay-there" flesh, fat and muscular tissue between your skin and bones?

Don't say it can't be done. Try Prunitone and prove what it can do for you. L. E. Scoggin is selling a good deal of Prunitone, and is giving universal satisfaction.

More than a half a million thin men and women have gladly made this test and that Prunitone does succeed, does make thin folks fat, even where all else has failed, is best proved by the tremendous business we have done. No drastic diet, flesh creams, massage, oils or emulsions, but a simple, harmless remedy that is pleasant to take and effective in results.

Take Prunitone with your meals, the story.
