

How Prunitone, the World's System Tonic Puts on Firm Flesh and Makes You Look Years Younger, Rounds Out Your Face and Figure With Healthy, Firm Flesh.

Start Taking Prunitone Now if You Wish to Increase Your Weight and Endurance or Banish Skin Eruptions and Beautify the Complexion. Thin, Pale People Quickly Become Strong, Stout, Robust and Have Lovely Red Cheeks by Using Prunitone, the Wonderful FRUIT TONIC.

Simply weigh yourself and take Prunitone for one week, then weigh yourself again and note the rapid increase in weight. Continue taking Prunitone until you have increased your weight the amount desired. You will very likely say that it has caused a remarkable change, it has improved your looks wonderfully and any of your friends will hardly know you when your figure has been well rounded out, as nature intended it should be. This transformation is due entirely to the wonderful power of Prunitone to correct the assimilation of the foods you eat.

The reason that Prunitone is having such an astonishing sale in America is due to merit alone. No Remedy that has ever been sold in America has met with such unprecedented success in so short a time as Prunitone, the celebrated Prune Tonic.

If your Skin is Ugly, Flesh Flabby, Cheeks Hollow or your Neck Scrawny, or if you tire easily, lack ambition, strength and energy, restless nights,

have indigestion or stomach trouble, don't delay. Go at once to L. E. Scoggin and secure a bottle of Prunitone.

SPECIAL NOTICE

Prunitone is recommended as a flesh builder and reconstructive system Tonic. In many instances it has proved wonderfully effective in cases of indigestion, Heartburn, Sleeplessness, Nervousness and general run down conditions. It is, however, advisable only for persons wishing to increase their weight and renew their strength and energy to use Prunitone. It may, however, be borne in mind that Prunitone contains no injurious drugs but is composed entirely of Prunes, Roots, Herbs and Iron in a most palatable liquid form. More than half a million men and women have used Prunitone with wonderful success, and it has been positively proven that it does make thin folks fat, even where all else has failed. Don't say it can't be done. Try Prunitone and prove what can be done for you.

ONCE UPON A TIME THERE WAS A LADY

Once upon a time there was a lady who agreed with her husband that he would never be sick because he played golf in the open air and ate fruits and vegetables, and so she shooed away the sick and accident insurance fellows and sniffed at doctors.

But husband got something the matter with him and fruit did not cure it, nor vegetables, nor whacking a white pill around a golf course, and the answer was that he had a spinal bone displaced and it was pressing on a spinal nerve, and of course fruits didn't move the bone, nor vegetables, nor a rhythmic golf swing. But he found a chiropractor who could and by chiropractic spinal adjustments he got well.

AS IMPORTANT AS GEOGRAPHY

It is quite as important for your child to know the value of money as to know geography. The best way to teach him practically is to open a savings account for him.
