Do You Want To Have Some Fun?
 We all love fun. If you want your share come to the Manless Wedding next Friday night and laugh some. Then you'll see those ladies with gray hair and those who are younger quite a bunch of the fun lovers dressed in dainty costumes acting as very young ladies, going back to the days of yore and taking part in this amusement. Well, you say "Where are the men?" We will have substitutes for them. Come and see it.
 Then you will be furnishing fun for yourself, and helping the Sunday school, for the proceeds will be used for buying the curtains.
 The church will be arranged in an attractive and unusual manner and you will be sure to enjoy it.
 The wedding will come off at 7:30, and before that at 5:00 P. M. there will be a barbecue-Sunday School picnic, to which all are cordially invited.

HIGH SCHOOL OPENS WITH ENROLLMENT OF 45 PUPILS
 New Ford School Truck Makes Comfort For Pupils. Six Graduates of Wood Elementary School Enter on First Day.

On Monday morning our High School, Goldsand, began its first session in the newly constructed 4 room building with enrollment of 45, thereby entitling it to the list of state accredited High Schools, with the exceptions of necessary library and eight months session.
 There were present besides the faculty, Supt. Best, the School Trustees and few patrons. Supt. Best spoke in approval and appreciation of the grand enrollment on the first day.
 The new Ford school truck left on time. 7:00 o'clock from Mr. Guptons home leaving there at 7:20 and reach the school building at 8:55 o'clock. Six pupils boarded her and four at Centerville. The number was swelled all along the road till there were nine teen in all who took their first trip on the comfortable truck to the opening. The schedule in all probability will be definitely completed at the end of the week. Mr. Raymond Sturges has charge of the truck and reports one trip made without a single mishap and that all seemed to be pleased with the trip.
 Our boys and girls seem to be very enthusiastic about the school and its prospects, are already talking about the society and basket ball prospects for this coming season. They are particularly enthused over the prospects of having an excellent athletic ground. They report that with some grading, it can be made into a very desirable one.
 Let's all pull together and encourage our young boys and girls to make our high school the equal of any in the county.
 The following boys and girl enrolled from here:
 Bonnie Griffin, Odell Thompson, Annie G. Gupton, Floyd Griffin Austin Fuller, Raymond Sturges.
 Those from Centerville:
 Mattie Dement, Lila Leonard, Eulis Mae Andreys, Clyde Leonard.

Note Of Thanks
 We, the faculty of the Wood School wish to take this opportunity to thank Mr. J. M. Wilder for being so thoughtful of our comfort, and that of the school children, as to bring the first load of wood for our fires.

REV. and MRS. J. M. BEAM and DAUGHTER AT SUNDAY SCHOOL
 Promotion Day a Success—Nine Classes Organized—160 Present Sunday Morning—Sunday School Barbecue This Afternoon at 5:00

Well if you were at Sunday School last Sunday, didn't you enjoy it? If normal, there is but one answer, yes. Sure, we were delighted to see so many people out on the first cold Sunday morning. And wasn't the church comfortable. It certainly was, and is going to be every Sunday morning, if it can be made so.
 In view of the fact that quite a number of our people attended church services at other places and that several were kept away on account of sickness, we were elated over the fine showing made Sunday by the visitors who had come from afar. Even if the Promotion Day program interrupted the usual program, we honestly believe the visitors were actually enthused and inspired by the way things turned out. We understand they report our Sunday School to be the liveliest one they have attended in some time. That is great! How many times that has been told us during the last month. It certainly makes our hearts overflow with joy and gratitude that visitors from afar should realize and appreciate the efforts of our good people here. Folks, we thank you so very much for the cooperation, interest and work you are doing. Continue, God will bless you.
 We were delighted to have with us last Sunday, Rev. and Mrs. J. A. Beam Roxboro, Supts. of Person County Schools, and their daughter, Miss Gladys Beam. Each of them made a few remarks, saying that our Sunday School showed that we were real alive. We trust that these visitors will come again.
 Mr. Beam began his interesting talk by comparison of the course of

DOES YOUR BACK ACHE?
 It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this Louisburg testimony.
 H. P. Cranford, garage foreman, Church St., says: "Last winter I had a terrible time with my kidneys. For long spells my kidneys failed to act at all and when I was able to pass the secretions they were highly colored and burned in passage. My back nearly killed me with pain and I couldn't turn in bed without a knife-like pain stabbing through my kidneys. It was almost impossible to bend and I certainly was in misery. Mornings my back was as sore as a ball and so stiff I couldn't stoop to put on my shoes. I doctored, but didn't get satisfactory results. Doan's Kidney Pills gave me more benefit than any medicine I had taken. I haven't had a spell with my kidneys since."
