Inactive Liver

"I have had trouble with an inactive liver," wrote Mrs. S. Nichols, of 4412 Spencer St., Houston, Texas. "When I would get constipated, I would feel a light, dizzy feeling in my head. To get up in the morning with a lightness in the head and a trembly feeling is often a sign that the stomach is out of order. For this I took Thedford's Black-Draught, and without a doubt can say I have never found its equal in any liver medicine. It not only cleans the liver, but leaves you in such a good condition. I have used it a long time, when food does not seem to set well, or the stomach is a little sour."

Don't deny your stomach—use only the best. It's William Tell.

THAT MORNING LAMENESS

If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on Louisburg testimony.
 W. B. Cook, prop. of general store, Court House Square, Louisburg, says: "My back was hurting me some and mornings a dull ache settled across the small of my back and I felt tired. My kidneys acted too freely during the night and had me up several times, so I lost my rest. I didn't allow this to go on very far, as I purchased a box of Doan's Kidney Pills at Pleasants' Drug Store, and they soon relieved me of the trouble. I have used Doan's on different occasions and always with the same good relief."
 Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cook had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
