The United States Supreme Court has held that States can prohibit aliens from owning and holding land. This, no doubt, is a welcomed decision for California and Washington.

The former German Emperor, according to press dispatches, is preparing to return to the Fatherland. He already has his passports for himself and suite, and the Brussels Gazette goes so far as to say it is expected the Hohenzollern Monarchy will be restored December 4, William or his son, the former Crown Prince Frederick William, ascending the Throne. Of what benefit has been the World War?

Upon investigation we find that in the last General Assembly a bill was passed abolishing the position as Auditor for Franklin County and that this law repealed all laws, and clauses of laws in conflict with it. This law provides that the Board of County Commissioners may have the books of the county audited each year but to do so it must arrange with the State Auditor's office to have the work done or let the contract to some auditing concern. We understand that the Board had been advised that they could employ an Auditor, and they felt the need of some one to look after the bookkeeping of the county, and therefore acted in good faith. The advice however is contrary to the law, as we understand it, and we think the proper thing for the Board to do would be to rescind the order.

THANKSGIVING

Thanksgiving day is the one day in the year when the nation turns to heaven for its preservation. Let us be thankful that we live, that we live in times of peace and prosperity. Let us be thankful that we have homes with husbands and children to love and to love us. Let us be thankful for the comforts of life. Let us be thankful for work, strength and desire to do our work gladly. Let us cultivate a spirit of gentleness, of graciousness, of brightness and gladness and wisdom that will make all about us thankful that we are alive.

In view of the great blessings that God Almighty has bestowed upon us in the abundance of crops and good prices, health, happiness and good feelings, one to another, what more fitting tribute of gratitude could we pay than to observe the day in a great County Mass Meeting to be held at Louisburg the county seat and render an appropriate program. In that so much has been given us ought we not to do our mite to show humble recognition of that power that does all things well.

Resolutions

In the passing of Mrs. D. C. High, the Woman's Missionary Society of the M. E. Church, South, of Louisburg, has sustained a real loss—a loyal worker and friend has gone to her eternal home.

In hours of need and sorrow, our sister and co-laborer has ministered faithfully and cheerfully, ever ready and willing to heed the call from suffering humanity. She gave of herself and resources unsparingly.

In her church life it was God's will she endeavored to obey, and the Woman's Missionary Society has been made far richer by her membership and the association with her; therefore, be it resolved:

- 1. That in the passing of this good woman, a vacant place has been made in our ranks, which we shall sorely feel.
2. That we tender her deeply bereaved husband and children our deep love and sympathy and commend them to God's loving care.
3. That while we shall miss her greatly, we bow to the purpose of a Higher Power than ours.
4. That a copy of these resolutions be sent to the family, a copy spread on the minutes of the Missionary Society, and a copy be sent The Franklin Times for publication.

MRS. LORA GLASGOW DEAD

The death of Mrs. Lora Glasgow, which occurred at the home of her nephew, Mr. W. H. Ivey, in Cedar Rock township Monday morning at 5 o'clock was received with much sorrow by her many friends in the community. She was the widow of the late Isaac Glasgow, and was the mother of Messrs. J. B. Glasgow, E. F. Glasgow, of this county, and Robert R. Glasgow, of Roanoke, Va., and Mrs. George Kirkland, of Scotland Neck, all of whom survive her. She was 91 years old—being born in Halifax county in 1832 and joined old Ebenezer Methodist church in 1847, where she held her membership until the end. She was a good Christian woman who numbered her friends by her acquaintances. In her death the community has lost one of its most consecrated spirits and valuable neighbors.

The funeral was held from the home of Mr. W. H. Ivey on Tuesday afternoon at 2 o'clock conducted by Rev. Mr. Everett, pastor of Cedar Rock Baptist church, and the interment was made at the old Stallings home place. Large numbers attended both services and the floral tribute was indeed pretty.

FRANKLIN COUNTY MISSIONARY INSTITUTE

On October 26th, in the Louisburg Methodist church, Franklin County held its first Missionary Institute. Miss Vera Herring, Secretary of the Raleigh district was in charge and in her usual gracious manner presided. There were present delegates from the different auxiliaries in the county. Gates county was the first to organize and the success has been wonderful. The object of the organization is to gain a closer fellowship among the auxiliaries and learn more of Missionary work.

Mrs. T. C. Gill, of Plank Chapel was elected county chairman and Mrs. J. W. Mann, of Louisburg, secretary and treasurer.

After discussions and talks by delegates and others present, the ladies of the Louisburg Auxiliary served a luncheon in the Sunday school rooms. Mrs. J. A. Hodges, Sec'y.

CARD OF THANKS

I wish to extend my most sincere thanks to my many friends who rendered me such substantial aid the past week. Their acts are more than appreciated and will be long remembered.

TUESDAY AFTERNOON BOOK CLUB

On November 13th, Miss Lola Jackson entertained the Tuesday Afternoon Book Club at the home of Mrs. J. L. Palmer. Autumn leaves and chrysanthemums were used for decorations. Nature had painted her choicest colors on the leaves selected and, with clusters of chrysanthemums here and there, the rooms were aglow with their loveliness. The Club welcomed the return of some of its members who have been out for so long, and among other guests was Mrs. Calvert, presiding judge of this district during this term of Court.

The program was an unusually interesting one, the Tiber River being the subject for study. Just previous to the reading of a paper on this River, so aptly prepared and read by Mrs. D. F. McKinne, Mrs. Fleming and Miss Williams played a duet, "Moonlight Revels" from Mid Summer Night Dream, and following Mrs. McKinne's paper, Mrs. W. H. Yarborough gave a selected reading, "Romulus and Remus," in which she told many interesting facts connected with the founding of the ancient city of Rome.

Mrs. Mohn sang a beautiful selection in Italian, Mrs. Fleming prepared as her Current Event, "The Return of the Crown Prince to Germany" which was read by Miss Williams. The concluding number on the program was a trio, "Lullaby from Jocelyn," by Mesdames White, Fleming and Miss Williams. We never feel that our program is complete without a reading by Mrs. James King, and she graciously consented to give an impromptu number, a selection from "Miss Minerva and William Green Hill," which was one of the most entertaining features of the afternoon. Miss Jackson and Mrs. Palmer served a salad course, after which the Club adjourned to meet with Mrs. A. H. Fleming on November 27th.

FARMERS PROSPER AS NEVER BEFORE

Carolina Beats Record—Cooperative Marketing Ushers in New Era of Prosperity Within 2 Years.

(S. D. Frissell)

After two years of cooperative marketing of cotton and tobacco, prosperity returns to the Carolinas with a flood tide that breaks all former bounds. With the value of the crops around which 80,000 North Carolina farmers have organized estimated at close to \$250,000,000 by the North Carolina Department of Agriculture, as compared to the value of \$157,239,000 received for cotton and tobacco in 1920, the miracle of orderly marketing becomes apparent.

The farmers who have worked together to bring back prosperity to their states by orderly marketing are not unmindful of the cause for its return. Many thousands have joined the marketing associations within the past twelve months, the total signers of the tobacco association contract now running beyond 93,000 according to the latest count. Rumors that the final payment to

tobacco growers of the cooperative association in the Old Belt would bring their total receipts to about twenty dollars a hundred were set at rest this week when it was announced from the association offices in Richmond that the total cash payments will average closer to \$25.00 than \$20 per hundred pounds and that another substantial payment will be made to members both in the Old Belt and in Eastern North Carolina, on the crop of 1922 when the redried tobacco which is now selling well is finally disposed of. These figures can not be taken as final, as they are dependent upon the final sales of the association's redried tobacco nor do they apply to every individual member of the association, because of wide variations in the quality of tobacco delivered.

The average of Edward Mabrey of Fuquay Springs who received over thirty dollars per hundred pounds first cash advance for an entire barn of tobacco, establishes a new high record for the marketing association. Over 750 pounds of Mr. Mabrey's load of 820 pounds brought an advance of \$32.50 per hundred. George Worthington of Ayden, whose load of 610 pounds brought an average of \$24 a hundred, J. C. Eddies of Spring Hope, whose load of 692 pounds brought \$143.63 and C. W. Bright of Greenville, who received a first cash advance of \$263.91 for 1304 pounds are among the many growers who have lately benefitted from the increased cash advances made by the tobacco association this year.

Deliveries to association houses reached seven million pounds last week. The association will open twenty more warehouses in Virginia Tuesday, November 20, to receive the dark tobacco of its members who last year delivered sixty per cent of Virginia's crop of dark tobacco.

Continued violation of their contract with the Tobacco Growers Cooperative Association, following an injunction of the court resulted in the sentence of 30 days in jail and a fine of \$250 each for R. O. Stephens and T. F. Morris, of Rockingham County, who were last week adjudged in contempt of court by Superior Court Judge Henry P. Lane at Winston-Salem.

HOME DEMONSTRATION DEPARTMENT

The Clubs in the county that are awake, are very active now, some have gone to sleep, so to speak, and probably some cold water sprinkled in the faces might arouse them. There seems to be nothing else that would in various clubs right now "meat canning" preparatory to hog killing time is being demonstrated. These demonstrations are enjoyed by those who attend.

One Woman's Club has purchased a steam pressure cooker which they call a community cooker. This when not in use is kept at the home of some club member. When a member is ready to do canning or cooking that she wants the cooker, she sends or goes for the cooker, and when she has finished keeps the cooker until some one else sends for same.

The pressure cooker is a good investment and especially if it is used, but to buy one and place it on the pantry shelf unused is an expensive proposition.

Our County won second prize on canned meat at State Fair this year first on canned pork and beef and second on chicken soup. We had hoped to get honorable mention, but when we saw the red and blue ribbons we were almost over come. The check has been received by the Agent, and I tell you people, the steam pressure cooker was the cause of the prize winning.

Meats and vegetables may be canned in one third the time that we used to can. There is nothing that cannot be cooked tender in this "precious pot" as one boy in the county put it, in less than an hour. The oldest, toughest hen in the county may be cooked "to leave the bone" in forty minutes.

Now folks I do not get money for talking pressure cooker, I am doing this to help the women of our county lighten their toils. A vegetable dinner may be prepared in one hour, and it seems to me any one who knew about this wonderful vessel would try and get money together to purchase one. I paid twenty five dollars and fifteen cents for my cooker last December and ordered three for various women in the county at the same price. For eighteen days now the company gives me prices that call for sixteen dollars and fifty cents and express on a cooker of the same size.

I shall be glad to give steam pressure demonstration to the people interested. Any time you wish to ask questions do not hesitate to do so, I shall be glad to answer them; if I do not have a ready answer, I'll go about getting one.

Addie E. Bordeaux, Home Demonstration Agent

Severe Indigestion

"I had very severe attacks of indigestion," writes Mr. M. H. Wade, a farmer of R. F. D. 1, Weir, Miss. "I would suffer for months at a time. All I dared eat was a little bread and butter... consequently I suffered from weakness. I would try to eat, but the terrible suffering in my stomach! I took medicine, but did not get any better. The druggist recommended

Theford's

BLACK-DRAUGHT

and I decided to try it, for, as I say, I had tried other for two or three years without any improvement in my health. I soon found that Theford's Black-Draught was the only thing that did me any good. I had two or three weeks, I found I could go back to eating. I only took 12. Now I am well and feeling fine. I was told by a friend that Black-Draught was the only thing that would do me any good. I tried Theford's Black-Draught and it did me so much good. Over 8 million packages sold, a fact. At dealers.
