

Give One For Christmas

The Tudor Sedan is a gift every member of the family will share. It adds to daily happiness. It will extend the joyous spirit of Christmas to every day of the year.

This new Ford type is of an exceptionally pleasing design. Wide doors opening forward, folding right front seat, and a roomy interior make it a convenient car to use; its high radiator, broad cowl, sun visor, and large windows make it stylish in appearance. Yet it is sold at the lowest price ever asked for a Sedan—only \$590 f.o.b. Detroit.

The rich, permanent luster of its finish, the quiet good taste of its upholstery, and the ornamental treatment of its full-nicked hardware, all help to make it a car you are proud to drive.

This Car can be obtained through the Ford Weekly Purchase Plan.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy appearance, which follows poor blood, and as a result, there is more or less stomach disturbance. DR. J. L. COLLIER'S WORM TONIC given regularly for seven to ten weeks will purify the blood, improve the digestion, and make a General Strength-Tonic to the whole system. Nature will then do the rest. The child will be healthy and happy. Price per bottle, 50c.
