Mexico now has another revolution.

President Coolidge has allowed his hat to be thrown into the Presidential ring.

President Coolidge has announced himself as opposed to the Soldier's Bonus.

As it now stands there are four entries for the nomination and election as President. They are McAdoo and Underwood, Democrats; Coolidge and Johnson, republicans.

The progressives in the United States Senate seem to have things blocked and will no doubt demand to be heard since they have found that they have some power.

It seems as if the tax question is becoming interesting to the whole country. No doubt laws will be passed exempting more of the accumulated wealth and putting the burden on the little fellow—a condition that should not be allowed to exist.

The voters in the coming elections should demand of the candidates they vote for, an expression as to how they stand on exempting any property from taxation. If they are not unequivocally in favor of taxing all property alike then they should be defeated.

Persons holding mortgages against property, other than railroad property, in North Carolina will do well to read a recent act of the general assembly in another column. The action of the Legislature is a wise one as no mortgage should be allowed to hang indefinitely without some required renewals.

### ACT QUICKLY

Do the right thing at the right time.

Act quickly in time of danger. In time of kidney danger, Doan's Kidney Pills are most effective. Plenty of Louisburg evidence of their worth. Ask your neighbor! Mrs. F. L. Herman, Church St., Louisburg, gave the following statement on June 24, 1918: "My kidneys bothered me a lot and acted too frequently. I heard a great deal about Doan's Kidney Pills, so I procured some at the Aycock Drug Co. Doan's certainly reached the spot and cured me of all the trouble."  
On Dec. 19, 1921, Mrs. Herman said: "Doan's Kidney Pills cured me of a spell of kidney trouble and I haven't been bothered since. It is indeed a pleasure to confirm my former statement."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Herman had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

### RUPTURE

EXPERT HERE

SEELEY, FAMOUS IN THIS SPECIALTY, CALLED TO RALEIGH

F. H. Seeley, of Chicago and Philadelphia, the noted truss expert, will personally be at the Yarbrough Hotel, and will remain in Raleigh Sunday and Monday only, December 16-17. Mr. Seeley says: "The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—exemplifying instantaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult cases, or incisional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions. Warning—All cases should be cautioned against the use of any elastic or web truss with understraps, as same rest where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seeley has documents from the United States Government, Washington, D. C. for inspection. He will be glad to demonstrate without charge or fit them if desired. Business demands prevent stopping at any other place in this section.  
P. S.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seeley, Home Office 117, N. Dearborn St., Chicago.
