

GIFTS FROM ALL OVER THE WORLD READY FOR YOU HERE

...What a journey you would have if you traveled with Santa Claus while he was selecting the Gifts that are to go on the Christmas trees! For so great is the demand for new gifts, novel gifts, practical gifts and useful gifts, that Santa Claus long ago gave up the idea of making them all at his North Pole home.

So now he travels from country to country, selecting with the greatest care the Gifts that will prove most satisfactory to you and to me.

At the Christmas Store the best of all the Gifts, from nearly every country that supplies Santa Claus, has been assembled ready for you to examine and compare. The Christmas Store is ready!
