 burg, N. C., as second class matter.

An Agent of the Federal Income tax
 department will be in Louisburg on
 February 25th and 26th for the purpose
 of assisting those who wish his ser-
 vices in making out their tax returns

We believe it will be best for Frank-
 lin County to build a new court house
 with a jail on the third story, on the
 present court square, rather than at-
 tempt to repair the old building. The
 jail property can be cut up into good
 business lots and sold off and provide
 a good portion of the money with
 which to build.

The indications are that Congress
 will attempt to impeach Secretaries
 Denby and Daugherty. The general
 public think they will be entitled to
 such action. Evidently the Attorney
 General has no personal pride since
 he has allowed the president to go
 over his head and appoint Counsel to
 do the work he is supposed to super-
 vise—the strongest display of lack of
 confidence—yet he hasn't resigned,
 and the President hasn't ousted him.
 Just which is to be criticised most we
 don't know.

**Resolutions of The Franklin
 County Bar.**

Whereas the Hon. Henry A. Grady,
 Judge of the Superior Court of North
 Carolina has presided over the courts
 of Franklin county during the term
 of January, 1924.

Whereas it has been the pleasure of
 the bar to conduct with him said term
 of court in that close relationship
 which should exist between the bench
 and the bar as to give opportunity to
 measure the man, lawyer and jurist
 and whereas after so measuring Judge
 Grady we desire to express to him and
 to the public our estimate of him:

Therefore be it resolved that as a
 bar, in the estimate of lawyers of a
 lawyer, who by virtue of his office pre-
 sides over the courts, we esteem and
 hold Judge Grady to be one of the
 ablest, most efficient, impartial, learn-
 ed, industrious and courteous judges
 that ever adorned the Superior Court
 bench of North Carolina; a Judge who
 in the conduct of his courts presides
 with an ease and dignity which im-
 press all people, and one who is doing
 as much to stimulate and encourage
 confidence in a higher respect and
 reverence for the judicial department
 of our state in all its functions. That
 we admire his clear cut rulings, sup-
 ported always by reason and authority
 in such a convincing way and manner
 as to take away the sting of being de-
 feated before the court, and we applaud
 his clear, concise, plain and yet thor-
 ough charge to a jury, which always
 give it a clear idea of its duties and
 functions as well as the law applicable
 to the issues and enables it to arrive
 at a verdict with intelligence and un-
 derstanding.

Resolved further that we express
 our pleasure in having Judge Grady to
 preside over our courts and look for-
 ward with pleasure to his return to us.

Resolved further that these resolu-
 tions be spread upon the minutes of
 the court and copies sent to the press
 and to Judge Grady's loved ones at
 home. Officials of Franklin Superior
 Court from janitor up desire to join
 in these resolutions.

BEASLEY-KNOX.

Huntersville, Jan. 21.—Miss Jenne
 Mae Knox and Mr. John Young Beas-
 ley, of Louisburg, were married Wed-
 nesday evening at the home of the
 bride's parents, Mr. and Mrs. G. S.
 Knox, of Huntersville.

The ceremony was performed by
 Rev. R. E. Hewey, of Statesville, a
 cousin of the bride.

The bride and groom left immedi-
 ately after the ceremony for a honey-
 moon in Washington and other North-
 ern cities.

Only the family and a few friends at-
 tended the wedding.

The bride is a graduate of Asheville
 Normal and has taught for the past
 few years.

After the trip Mr. and Mrs. Beasley
 will make their home at Louisburg,
 where Mr. Beasley is a prominent busi-
 ness man.

25th-ANNIVERSARY-25th

The Week of January 28th we will Celebrate the
25th Anniversary of D. PENDER as a Merchant

90 per cent of the stockholders of our Company live in North Carolina.

75 per cent of our stock is owned by North Carolinians.

We feel that there is no more fitting way to celebrate this
 occasion than to give the Public an opportunity to participate
 by offering prices that are still lower than our usually low
 prices.

That there has been a steady and healthy growth in our
 business is the best possible evidence that the Public wants and
 appreciates the combination of **QUALITY—SERVICE—and
 FAIR PRICE.**

MUST WE REPAIR OR BUILD?
 (Continued from Page One)

different ideas as to the cost of a building. For that reason the
 rate has been given on a hundred thousand dollars, so that they
 can be easily increased in proportion to your idea. Its your
 problem and you should be enough interested to make some
 calculation. For instance take the tax value of the property
 you gave in to the list taker last year and work out the cost
 to you by adding 4 cents for each \$100.00 you have. Would you
 rather pay 4 cents for a complete new building or 2 cents to
 have the old ones repaired.

One of the greatest barriers in the way of a new court house
 for Franklin County several years ago when the question was
 being so much discussed was the location. A great sentiment had
 been worked up to move the court house to a new location on
 Main Street. Then the question arose as to what to do with
 the old court square. Some wanted it to be made a park, others
 wanted it sold for private business, and still others wanted the
 county to keep it and retain it for the court house. As time
 passed sentiment grew stronger in favor of the County holding

it and if a new court house was built at all to build it on the present
 square. There is no real good reason to move the location
 if a new building is erected as it can be easily constructed so
 that the noise on the streets will not bother the sessions of the
 court, but if it must be moved at all why buy more property
 when the county has one of the finest pieces of property in the
 town where the jail now is. This property could easily be utilized
 for a court house and would be all the room needed. On the
 other hand the jail property could be laid off into lots by extend-
 ing Cedar and Spring streets and Bull Run avenue and sold off
 for a handsome sum, even more than the present court square.
 Those people who have erected or purchased buildings around
 the square feel like it would reduce the value of their property
 to turn the court square into private property, and by erecting
 the new building there it would satisfy the desires of a large
 majority of Franklin County citizens in retaining an old land
 mark and also those whose property adjoins it on all four sides.

It is generally conceded that money spent in repairing or re-
 modeling old buildings is money thrown away. Therefore, it is

of the utmost importance that this question be given serious
 thought by your Commissioners and yourself in counselling
 with them.

The question has been raised "what could be done about
 holding court if a new building was erected where the old house
 stands" That's easy. Arrangements could be made in Febru-
 ary and work begun the first of March. The May term could
 be dispensed with, as it is usually done away with anyway,
 and if need be the August term could be done likewise. The
 building could be ready for use for the October court. In the
 meantime arrangements could be made to use the opera house for
 the sessions of the Reorders Court.

Come to Louisburg Monday and meet with your Commission-
 ers at their invitation, to help solve what is best to do. And do
 not allow yourself to be prejudiced either way. Don't be afraid
 of a bend issue if you think it best to build new and don't fail to
 express yourself if you think it unwise to do other than repair
 the old building.

In any event it is your responsibility and your problem. Meet
 it face to face like men and solve it so that you will always feel
 proud of your actions.
