Old Folks' Ailments

"I began taking Black-Draught over fifty years ago and my experience with it stretches over a good long time," says Mr. Joe A. Blake, more, a Civil War veteran and former Virginian, who is now a prominent citizen of Floyd, Texas. "It is the best laxative I know of for old people. . . . A good many years ago, in Virginia, I used to get bilious and I found that

Theford's

BLACK-DRAUGHT

was the best and quickest relief I could get. Since I came to Texas I have these bilious attacks every now and then—a man will get bilious anywhere, you know—and I find that a little Black-Draught soon straightens me out. After a few doses, in little or no time I'm all right again." Theford's Black-Draught is a purely vegetable liver medicine, used in America for over eighty years. It acts on the stomach, liver and bowels in a gentle, natural way, assisting digestion and relieving constipation. Sold everywhere.
