## An All-Purpose Truck At A Remarkable Price

The new Ford all-steel body and cab mounted on the famous Ford One-Ton Truck chassis provide a complete all-purpose haulage unit at the remarkably low price of \$490.

Built of heavy sheet steel, strongly reinforced, this staunch truck is designed to withstand severe usage in a wide range of industries. Generous loading space, four feet by seven feet two inches, permits easy handling of capacity loads and provision is also made for mounting of canopy top or screen sides.

Experienced drivers appreciate the weather-proof features of the steel cab, which is fitted with removable door-opening curtains.

before you have to take more costly measures. Dr. Bell's combines just those medicines that up-to-date doctors prescribe with the good old-time remedy—pine-tar honey. It speedily checks the cough, soothes the inflammation, restores normal breathing. The taste is pleasant, too!

All druggists. Be sure to get the genuine.
